DISTRICT ANALYSIS

DISTRICT

In May of 2000, the City Commission of the City of Winter Springs (the "City") created and imposed special assessments within the Oak Forest Assessment Area, also known as the Oak Forest Wall and Beautification District (the "District"). The District was created to finance certain improvements and services which benefit properties within the boundaries of the District.

Improvements and services within the District include the construction and maintenance of a privacy wall to service the District. The project of constructing the privacy wall has been referred to as the Oak Forest Subdivision Wall (the "Wall"). The annual assessments provide the necessary funding to pay the annual debt service payments and to provide the ongoing maintenance of the Wall, which includes, but is not limited to, cleaning and repairing.

The District financed the Wall by issuing a note. On June 14, 2010, the City approved the refinancing of the Oak Forest Capital Improvement Revenue Note, Series 2004-A. The City authorized an internal loan from the City's General Fund in the amount of \$318,464.34 to refinance this note. The internal loan is scheduled to mature with the final debt service payment due on June 30, 2017.

LEVY

The assessment of each parcel of property within the District is based upon the parcel's proximity to the Wall measured in benefit units. The benefit units assigned to each property are multiplied by the annual rate assigned for the capital and maintenance components of the assessments.

For the fiscal year 2011/12 Oak Forest capital assessment, 821 parcels were levied for a total of \$61,092.00, which is consistent with the prior year levy amount.

For the fiscal year 2011/12 Oak Forest maintenance assessment, 936 parcels were levied for a total of \$55,144.65, which is consistent with the prior year levy amount.

DELINQUENCIES/SPECIAL ISSUES

As of October 14, 2011, the fiscal year 2010/11 delinquency rate for the Oak Forest capital assessment was 1.47%, which equaled \$896.40 of outstanding delinquent installments. As of October 14, 2011, the fiscal year 2010/11 delinquency rate for the Oak Forest maintenance assessment was 1.29% which equaled \$709.65 of outstanding delinquent installments. NBS will continue to review and monitor the District's delinquencies periodically throughout the year.

Each year, property owners are allowed to make capital assessment prepayments until the middle of July. As of July 31, 2011, there were no capital assessment prepayments received by the City for the past fiscal year for the District.
