

Community Bear Education Meeting

Wednesday, June 14th, 2017

**400 North Edgemon Avenue
Winter Springs Senior Center
6:30 p.m. to 8:30 p.m.**

Come join members of the Winter Springs Police Department, Florida Fish and Wildlife Commission and the Parks and Recreation Department for a town-hall style meeting regarding the topic of living with the Florida Black Bear. Florida FWC will be presenting material regarding black bear activity, habits and habitat. Part of the beauty of our city is our ability to live with and within a habitat that is full of natural wonder. We invite you to come learn with us as we discuss the best way to do that safely.
