

# CITY OF WINTER SPRINGS

MAY 2020 • VOLUME 155

## **COVID-19 UPDATES**

The City of Winter Springs is monitoring the COVID-19 (Coronavirus) situation and following guidance from the CDC, Seminole County officials, Florida Governor's Office, and the President of the United States. The City is consistently updating our [www.winterspringsfl.org/covid19](http://www.winterspringsfl.org/covid19) webpage with the latest updates on closures and reopenings.

## **SMALL BUSINESS ASSISTANCE**

We want to ensure our small business owners understand the relief options that are available during these difficult times. Visit [www.winterspringsfl.org/covid19](http://www.winterspringsfl.org/covid19) for a list of loans that are available to you.

Be sure to also visit the [U.S. Small Business Administration \(SBA\)](#) and/or [Florida Department of Economic Opportunity \(DEO\)](#) websites to receive information about guidance, funding options, and local assistance.

## **AUTO HYDRANT FLUSHING**

Check out the new **automatic hydraulic flushing units** that have been installed at various fire hydrants around the city! Our engineers have created a model to study our water's distribution system and have installed these units to automatically flush aged water to bring you the freshest water to your home.

This project is part of our Water Works Initiative to upgrade our city's drinking water plants. Check out the project process and goals at [www.winterspringsfl.org/waterworks](http://www.winterspringsfl.org/waterworks).

# SOCIAL DISTANCING

## SOCIAL DISTANCING

Stop the spread! As a reminder, during these times sharing is NOT caring. Remember to practice social distancing when grocery shopping, walking the nature trails, or visiting the City parks by standing 6-feet (or one alligator) apart (unless you're family). Thank you for doing your part! Let's spread joy, not germs!
