STAY HEALTHY IN 2021

Remember the basics of keeping yourself and others healthy this year!

The CDC recommends that people wear masks in public settings, like on public and mass transportation, at events and gatherings, and anywhere they will be around other people to help prevent the spread of COVID-19.

Here are some helpful mask tips:

- Wear a mask that covers your nose and mouth and secures under your chin.
- Masks should fit snugly against the sides of your face.
- When removing a mask, handle only by the ear loops or ties and be careful not to touch your eyes, nose, and mouth when removing.
- Wash your hands immediately before putting on your mask and immediately after removing it.
- Keep a spare mask to replace one that may become wet from breath or rain.
- If you have to continually adjust your mask, it doesn't fit properly, consider finding a different mask type or brand.

WATER WORKS UPDATE

At the January 11, 2021 City Commission Meeting, Veolia representatives presented an update on the Wastewater Treatment Plant priority repairs project.

This project is a part of our Water Works Program. This program is an aggressive action plan, including a series of projects to improve the City's water, wastewater, reuse, and stormwater infrastructure and facilities.

FOOD TRUCK GRAB N' GO RECAP

Thank you to everyone who joined us at our first event of 2021! Rain or shine, our Food Truck Grab N' Go in Trotwood Park was so much fun!

A huge thank you to our food truck vendors who came out for the afternoon - [Oh My Dogs!](#), [Smellee Mellees](#), [Grandma's BBQ](#), [Kona Ice](#)
