

SEPARATING STORM DEBRIS

Sort debris into vegetative and construction categories shown below and place curbside. **DO NOT PLACE IN THE ROAD OR BLOCK STORM DRAINS.** Storm debris should be away from overhead obstructions, mailboxes, fire hydrants, utility boxes, and sprinklers. Debris haulers will not pick up normal household trash, bagged debris, recyclables, and sandbags. Continue to follow your regular garbage removal schedule.

VEGETATIVE DEBRIS

DO NOT BAG OR TIE UP

(LOGS, PLANTS, LEAVES,
AND TREE BRANCHES)

CONSTRUCTION AND DEMOLITION DEBRIS

(BUILDING MATERIALS, CARPET, DRYWALL
FURNITURE, LUMBER, MATTRESSES, FENCING)
