Construction on Winter Springs Boulevard safety enhancements to begin May 3, 2023

WINTER SPRINGS, Fla.--Beginning May 3, 2023 crews will start construction of several safety enhancements along Winter Springs Boulevard.

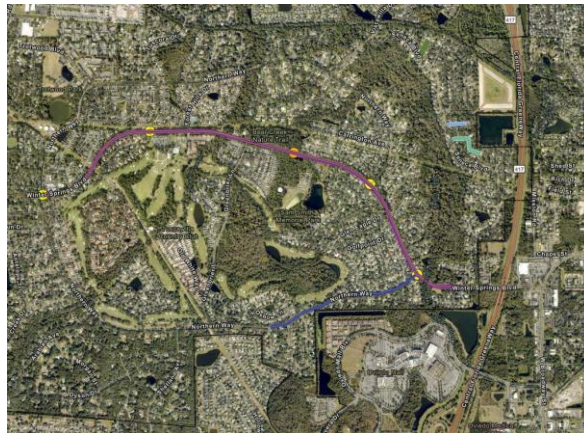

The project which is part of the City's 2023 Capital Improvement Plan will include new asphalt, installation of raised intersections, speed tables, and designated 7-foot bike lanes.

Drivers should expect minor impacts to traffic along Winter Springs boulevard between West Northern Way and the Oviedo City limits.

Most of the work will occur during daylight hours, between 7 a.m. and 5 p.m. Monday through Friday and is expected to take several weeks to complete.

The project is funded with proceeds from the one-cent local government infrastructure surtax and was approved by the [City Commission on Feb 27](#).
