## **Michael Blake Boulevard traffic signal project scheduled to begin October 6, 2023**

**WINTER SPRINGS, Fla.**-Beginning Friday, October 6, 2023, crews will start the preliminary construction phase of a new traffic signal at the intersection of Michael Blake Boulevard and SR 434.

The project, approved by the City Commission in April, is being funded with proceeds from the One-Cent Sales Tax and impact fees and is expected to take one year to complete, weather permitting.

Travelers in the area should exercise caution while crews prepare the site for construction and be aware of intermittent lane closures as the work progresses.

Sign up to receive e-Alerts and traffic notifications by visiting the City of Winter Springs website at [www.winterspringsfl.org/community/page/emergency-ealerts](http://www.winterspringsfl.org/community/page/emergency-ealerts).
