Central Winds Dog Park parking changes begin March 13, 2023

WINTER SPRINGS, Fla.- Visitors to Central Winds dog park will notice some changes to parking as construction continues on the new pickleball courts.

Beginning March 13, 2023, park patrons should use the Hicks Avenue parking lot and enter the park through the new gate next to the Cross Seminole Trail for the safety of all pets and visitors.

Park patrons are asked to use the Hicks Avenue parking lot and enter the park through the new gate next to the Cross Seminole Trail.

The change in parking allows the dog park to remain open while construction crews access the nearby pickleball construction site.

Crews recently began construction on the City of Winter Springs' new pickleball courts at Central Winds Park.
