The City of Winter Springs Commission Appoints a Mayor-Elect

WINTER SPRINGS, FL – At the Monday, April 12, 2021, City Commission Meeting, the Commission voted to appoint a new Mayor of the City of Winter Springs. Due to the former Mayor's resignation on March 22, 2021, the City Commission of Winter Springs considered applications from qualified persons to fill the vacancy per the City Charter's regulations. During the two-week application period, seven people applied for the position. The Commission was very excited by the interest, dedication, and varying qualifications of each applicant. After sitting down with each person and reviewing in a Public Meeting on April 12, 2021, the Commission elected to appoint Kevin McCann to the role of Mayor in a 3 to 2 vote.

Mayor-Elect McCann has been a resident of Winter Springs since 2004. He has served as President of the Tuscawilla Home Owners Association, Vice-Chairman of the Winter Springs Planning & Zoning Board, and on the Tuscawilla Lighting & Beautification District Advisory Committee. He regularly attends other City meetings, including the Winter Springs Police Citizens Advisory Committee, the Code Enforcement Board, and others. He has a clear understanding of the challenges facing the City of Winter Springs. In his many roles within the City of Winter Springs, McCann has built a constructive, positive working relationship with the City Manager, Police Chief, and City staff. His goal is to put the citizens of Winter Springs first by working with other local government members to maintain, protect, and improve citizens' quality of life. McCann intends to manage reasonable growth within the city limits and uphold the values of pride, class, and dignity that the office deserves.

The inauguration ceremony for Mayor-Elect McCann will occur on Monday, April 26, 2021, at 6:00 PM before that evening's Commission Meeting, which he will preside over, at 6:30 PM. We look forward to officially welcoming Mayor-Elect McCann as the Mayor of the City of Winter Springs.
