BUDGET MESSAGE

EXECUTIVE SUMMARY

Respectfully submitted is the Proposed Fiscal Year 2023 Budget. The total Proposed Budget for all City funds combined is approximately \$58.7M (excluding appropriations to fund balance), and represents a \$4.2M or 7.7%, increase over the prior fiscal year's budget. Total proposed General Fund spending of \$20.1M represents a \$1.4M increase or 7.3% over the prior fiscal year. After careful review of expenditures necessary to maintain high quality government service and well-maintained public infrastructure, the FY 2023 budget was balanced with proposed operating millage rate of 2.4100 per \$1,000 of value. The proposed millage rate remains unchanged from the prior fiscal year.

Funding Outlook Preliminary ad valorem taxable values, as provided by the Seminole County Property Appraiser (SCPA), are projected to increase 10.8% in Fiscal Year 2023. At the proposed millage rate of 2.41 mills, the increase in taxable value is anticipated to result in \$719,292 in increased property tax revenues in the City's General Fund as compared to the FY 2022 budget. Of this increase, approximately 19% is attributable to new construction. An individual property owner's particular tax bill depends upon several factors including their property's valuation and taxable value, accumulated Save Our Homes savings, and the millage rate levied by the City as well as other agencies (School Board, County, SJRWMD, etc.).

The City's proposed millage rate represents approximately 15% or 15 cents of every dollar, of a Winter Springs taxpayer's total property tax bill. Exclusive of a projected ad valorem revenue increase, overall General Fund revenue sources for Fiscal Year 2023 are budgeted to increase as we rebound in this post-COVID environment, resulting in an approximate 5.1% increase in those revenues from the prior fiscal year.

Budget Methodology

The City's Fiscal Year 2023 Proposed Budget continues to utilize our concerted, proactive budgeting approach and related strategies that were implemented effective with our Fiscal Year 2010 Budget. These measures, including personnel reorganizations (as warranted and appropriate) and prioritizing project needs and zero-based budgeting, have positioned us to meet and overcome the challenges and limitations we may face without raising our millage rate or reducing the outstanding levels of service provided to our citizens. This is a monumental task for Fiscal Year 2023 as we continue to face additional challenges such as labor and supply shortages, refurbishing and replacing wastewater infrastructure that is over 50 years old, and steadily increasing inflation costs.

Personnel and related expenditures represent approximately 63.1% of total General Fund expenditures, therefore, it is important that these costs be closely examined and monitored on an ongoing basis. Evaluation of market salaries and benefits are regularly conducted to ensure a high level of retention and recruitment. We continue to examine, as demonstrated in this FY 2023 budget, our overall staffing structure for potential additional reorganizations and opportunities in order to ensure we have the most efficient and effective use of our limited resources.

Finally, preparation of our Fiscal Year 2023 Budget was facilitated with the continued utilization of a zero-based budgeting paradigm. This technique, which reverses the working process of traditional incremental budgeting, is aimed at ensuring that only a justifiable and defensible level of expenditures is appropriated, thus facilitating our ability to continue to provide our citizens with a millage rate that reflects only that which is justly required for the provision of City services.

<u>A Look Back</u>

The Fiscal Year 2023 budget is the 13th budget that I have had the privilege of developing in my tenure at the City. During this tenure, we, as a team, have made significant strides in our effort to stabilize and improve our fiscal posture, to the ultimate benefit of our taxpayers. A few notable outcomes from this period are as follows:

- Balanced the Budget for the past 13 years *without* raising the property tax rate (maintained or lowered the rate each year)
- Improved City's Debt Position via 100% reduction in total outstanding debt for the General Fund.
- Increased City's Credit Rating from AA to AA+.
- Increased City's Pension (Letter) Grade from F to A.
- Pension plan is 110.9% funded (as of October 2021) for the first time in the history of the Plan
- Enhanced and expanded Community Events via partnerships and sponsorships rather than tax dollars, while focusing on inclusion opportunities for the entire community.

In concert with our fiscal advances, we commensurately maintained or improved service levels during this same period as evidenced in part by:

- Increased funding in several key service areas including the establishment of a multi-million dollar Parks Improvement Program, doubling the funding to our annual road infrastructure maintenance program, and providing multi-million dollar improvements to our Water/Sewer Utility System.
- Being consistently named one of the top 10 safest cities in Florida by several publications, reaching as high as #3 in 2020 and #4 in 2021
- Being named one of the 100 Best Places to Live by Money Magazine.
- Being ranked 3rd in Smart Travel's 10 Best Places to Live in Florida
- Being ranked 14th in the Chamber of Commerce *Best Cities to Live in Florida* 2019

Summary information related to the Fiscal Year 2023 Proposed Budget is provided beginning on page iii.

OVERALL BUDGET REVENUES

Based upon an operating millage assumption of 2.4100 mills, total revenues and transfers are projected to increase by 32.3% in FY 2023. Inclusive of appropriations from fund balance, a total increase of 22.7% is projected as follows:

	FY 21/22 Original Budget	FY 22/23 Proposed Budget	Change
General Other Governmental	\$18,736,477 \$7,445,571	\$20,107,054 \$18,083,368	7.3% 142.9%
Enterprise Sub-Total	<u>\$14,576,928</u> \$40,758,976	\$15,721,214 \$53,911,636	7.8% 32.3%
Appropriations From Fund Balance	<u>\$13,754,069</u>	<u>\$12,951,012</u>	(5.8%)
Total	<u>\$54.513.045</u>	<u>\$66,862,648</u>	22.7%

OVERALL BUDGET EXPENDITURE

Total expenditures and transfers out are projected to increase by 7.7% in FY 2023. Inclusive of appropriations to fund balance, a total increase of 22.7% is projected as follows:

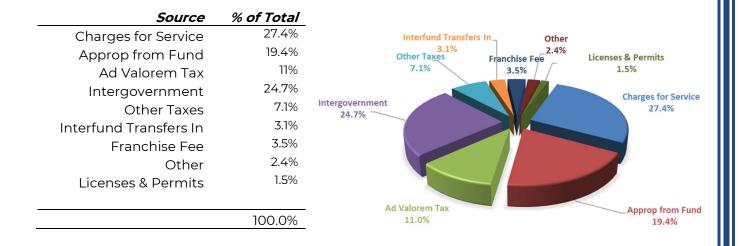

_	FY 21/22 Original Budget	FY 22/23 Proposed Budget	Change
General	\$18,736,477	\$20,053,688	7.0%
Other Governmental	\$15,065,478	\$15,224,745	1.1%
Enterprise	<u>\$20,705,315</u>	<u>\$23,439,633</u>	13.2%
Sub-Total	\$54,507,270	\$58,718,066	7.7%
Appropriations To Fund Balance	<u>\$5,775</u>	<u>\$8,144,582</u>	
Total	<u>\$54,513,045</u>	<u>\$66,862,648</u>	22.7%

OVERALL CHANGE IN FINANCIAL POSITION

The year-end fund balance in the General Fund is projected to marginally increase. Year-end fund balances of the Other Governmental Funds (collectively) will be increased due in large part to anticipated ARPA funding. The Enterprise Funds (collectively) are projected to have substantial decreases mainly due to budgeted capital in excess of \$8M.

	FY 21/22 Revised Ending Fund Bal/Equity	FY 22/23 Proposed Ending Fund Bal/Equity	Change
General	\$9,042,979	\$9,096,345	0.6%
Other Governmental	\$33,060,594	\$35,919,217	8.6%
Enterprise	<u>\$19,806,570</u>	<u>\$12,088,151</u>	(39.0%)
Total	<u>\$61,910,143</u>	<u>\$57,103,713</u>	(7.8%)

GENERAL FUND SOURCES OF FUNDS

Ad Valorem

In order to fund the FY 2023 Proposed Budget a total millage rate of 2.4100 mills is proposed.

	<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
Operating Millage Rate	2.4100	2.4100	(0.0000)

Incorporating the unchanged FY 2023 County MSTU millage rate (still preliminary), the combined proposed millage rate to City taxpayers of 5.1749 which remains flat from the prior fiscal year as follows:

	<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
Operating Millage Rate	2.4100	2.4100	(0.0000)
County MSTU (prelim)	<u>2.7649</u>	<u>2.7649</u>	0.0000
Total	5.1749	5.1749	(0.0000)

At 2.4100 mills, the FY 2023 operating millage rate is estimated to be 9.22% more than the "rolledback" rate of 2.2066 mills, based on the preliminary ad valorem tax base as provided by the Seminole County Property Appraiser. The preliminary FY 2023 ad valorem tax base compares to the base for FY 2022 as follows:

FY 21/22	FY 22/23	Changes
<u>(DR-420)</u>	<u>(DR-420*)</u>	<u>Change</u>
\$2,867,838,505	\$3,178,736,085	\$310,897,580 / 10.8%
*Includes New	Construction totaling \$60,792,	819
Based on preliminary valuations an ad valorem revenues are expected		
FY 21/22 (Adopted)	FY 22/23 <u>(DR-420)</u>	Change
\$6,635,032	\$7,354,324	\$719,292 / 10.8%
State Shared Revenues (Revenue	Sharing and Half-Cent Sales Ta	x)
FY 2023 State Shared revenues are	e budgeted to increase by \$180,6	684 or 4.9% as follows:
<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
\$3,713,840	\$3,894,524	\$180,684/ 4.9%
Local Communication Services T	ах	
Projected FY 2023 General Fund revenues from Local Communication Service Taxes are budgeted to increase by \$105,000 or 9.5% as follows:		
<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
\$1,100,000	\$1,205,000	\$105,000 / 9.5%
Electric Utility and Franchise Fee	•	
Effective March 2014, the City executed a 10-year franchise agreement with Duke Energy that maintains a franchise fee of 6% on base revenue. In total, projected FY 2023 General Fund revenues from Electric Utility Taxes and Electric Franchise Fees are budgeted to increase as follows:		
<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
\$4,895,850	\$4,975,500	\$79,650 / 1.6%

Executive Summary | Page vi

Other General Fund Sources

Other General Fund sources that includes interfund transfers are expected to increase \$285,951 or 12% as shown below. This increase is comprised of many accounts all with marginal increases.

<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
\$2,391,755	\$2,677,706	\$285,951 / 12%

WATER & SEWER SOURCES

Sources in the Water and Sewer Operating Fund are projected to increase by \$1,088,786 or 8.8% as follows due primarily to anticipated increases in water, sewer and reclaimed revenues.

<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
\$12,413,928	\$13,502,714	\$1,088,786 / 8.8%

For FY 2023, potable water, sewer and reclaimed water rates will be indexed to the CPI of 8% (estimate) effective October 1, 2022. The City's comparative rate position remains in the general bottom half of rates charged by other neighboring utility systems.

In Fiscal Year 2020 the City contracted with Veolia Water North America - South, LLC (Veolia) to assume the operation, maintenance, and management services for the City's drinking water treatment, wastewater treatment, and reuse utilities. Additionally, water quality improvements at Water Treatment Plant #1 were completed and the funding for the project was secured via the State Revolving Loan Fund with no additional debt or cost to the residents.

Key assets of the City's wastewater treatment plants are at the end of their almost 50-year useful lives. This budget continues to address many of the initiatives to replace or rehabilitate necessary infrastructure in a cost-effective and sustainable manner. Priority repairs have been completed at some of the wastewater treatment plants and continue while planning and designing is underway for new, higher efficiency, wastewater plants to be built.

The City has completed design for reclaimed expansion along SR 434; this project will involve the installation of a 12" reclaimed water main. At Water Treatment Plant No. 1, the supply header has been upgraded- increasing throughput capacity by 30%. Control and chlorine system automation has been optimized to improve disinfection efficiency, and balancing injection ratios to match demand resulting in a chlorine consumption reduction of 50%.

DEVELOPMENT SERVICES REVENUES

Revenues in the Development Services Fund are projected to marginally increase by \$22,000 or 2.3% as follows:

<u>FY 21/22</u>	<u>FY 22/23</u>	<u>Change</u>
\$955,000	\$977,000	\$22,000 / 2.3%

Diversification of the property tax base (residential and commercial) remains an important focus for the City. Single-family Residential construction remains strong, with over 500-units currently under construction, including the 114-unit Winter Springs Townhome Subdivision. The demand for retirement housing is also strong, with vertical construction complete on the Savoy Retirement

Residence in the Town Center. Commercial development demand is increasing in terms of new construction of the Winter Springs Marketplace Shopping Center and Chase Bank. The occupancy of previously vacant tenant space is also trending in a positive direction.

OTHER RATES AND CHARGES

Oak Forest Wall Maintenance & Debt Service Funds

The Oak Forest Maintenance assessment remains unchanged at \$60/BU as compared to the legal maximum of \$63/BU. The internal refinancing of the Oak Forest Debt allowed for early retirement. This instrument was fully retired in FY 2017, which was also the final year for the annual capital assessment.

TLBD Maintenance & Debt Service Funds - Phases I and II

The TLBD Maintenance assessment has been unchanged since FY 2010 when the annual assessment was decreased to \$120/ERU from the legal maximum of \$128/ERU. For FY 2023, no changes are proposed. A \$7 per ERU decrease was programmed into the FY 2015 Budget for the Phase I TLBD Debt Service (from \$43/ERU to \$36/ERU annually) and that proposed assessment remains unchanged. The assessment for this fund may not be sufficient due to significant inflation and increased labor costs and will require reevaluation in 2023.

Tuscawilla III Special Assessment Fund

The Tuscawilla III assessment district has both a capital and maintenance assessment. The capital assessment is utilized for the annual debt service on an internal 20-year loan, which financed a capital project relative to the existing Tuscawilla Units 12/12A wall. There is no proposed increase to the capital assessment of \$85/BU or the maintenance assessment of \$87/BU as they are each at the legal maximum of \$85/BU and \$87/BU, respectively. The assessment for this fund is not sufficient and will require reevaluation in 2023.

Infrastructure Surtax Fund

In May of 2014, a countywide precinct referendum resulted in an additional 1% (i.e. 1 cent) local government infrastructure sales surtax upon taxable transactions occurring in Seminole County. The tax went into effect on January 1, 2015 and will expire December 31, 2024. The proceeds are to be utilized for public infrastructure projects and are distributed 25% to the School Board, 24.2% to the County with the remaining 50.8% of net revenues distributed according to a statutory formula to the County and all Seminole municipalities. Per the interlocal agreement, the Winter Springs' distribution percentage is 2.99%, which may be utilized for public infrastructure as defined in the Florida statutes [Section 212.055(2)(d)].

Solid Waste Fund

The City entered into a Solid Waste Franchise Agreement with Waste Pro of Florida, Inc. on March 1, 2006 at a monthly rate for residential customers of \$18.10. This rate will be assessed and will require an increase. The weekly service includes two solid waste, one recycling and one-yard waste

pickup. The recent competitive bidding experiences of other nearby municipalities and counties did not result in favorable outcomes for their residents. As a result of that evaluation, staff recommended that the Commission grant a long-term extension to Waste Pro of Florida because such extension would be more economically advantageous to the citizens of Winter Springs than competitively bidding solid waste services in the current market. That long term extension was authorized on May 10, 2021 with Ordinance 2021-03 and became effective March 1, 2022, after the expiration of the previous addendum, and will remain in effect through February 28, 2027 with three additional 1 year extensions available upon mutual consent.

Impact Fee Funds

In 2016, the City Commission adopted Ordinance 2016-10 amending the City's transportation impact fee schedule. For most commercial and residential land uses, the new transportation impact fees are significantly lower than the previous fees. In 2017, the City Commission adopted Ordinance 2017-16, which reduced police and fire impact fees while an increase was warranted for park impact fees. Impact fee revenues are not budgeted until received.

The remainder of this page was intentionally left blank

EXPENDITURE HIGHLIGHTS

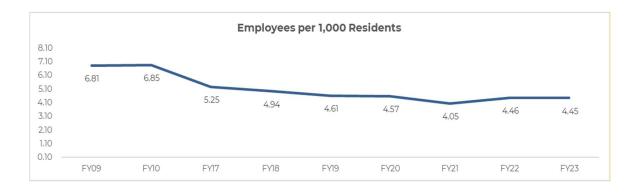

PERSONNEL COSTS

Personnel costs include employee salaries, FICA, health and life insurance, worker's comp, and retirement benefits. These costs account for the majority of the City's operating expenditures. Some of the challenges we have faced in previous fiscal years, that continue to be a challenge into FY 2023 are a volatile labor market, increases to minimum wage, additional staffing needed to facilitate essential and significant infrastructure enhancements, increased inflation, and the impact of the baby boomer generation retiring in large numbers. In order to face these challenges and to maintain our competitive advantage for recruiting and retention, we regularly review processes searching for opportunities to enhance efficiencies or automate processes, we have made market adjustments to salaries and pay ranges, most notably in the police department; increased our headcount to meet with service level demands; and we have increased benefits available to employees. Personnel costs, totaling \$15,555,775 are proposed to increase 8.1% over the prior fiscal year as follows:

	FY 21/22	FY 22/23		
	Original	Proposed		
	Budget	Budget	Change	
General	\$11,839,596	\$12,690,624	7.2%	
Enterprise	<u>2,546,517</u>	<u>2,865,151</u>	12.5%	
Total	\$14,386,113	\$15,555,775	8.1%	

Staffing and Wages - Full-time headcount is increased this year to be more in line with previous years and to provide for sufficient staffing to facilitate essential and significant infrastructure enhancements. The total full-time headcount for FY 2023 accompanied by trailing historical data follows:

	<u>FY09</u>	<u>FY10</u>	<u>FY17</u>	<u>FY18</u>	<u>FY19</u>	<u>FY20</u>	<u>FY21</u>	<u>FY22</u>	<u>FY23</u>
Full- Time	234	228	 187	181	172	177	158	174	175

Executive Summary | Page x

Pension - Funding of the City's Defined Benefit Pension Plan is an important and critical area of focus. Due to the nature of a Defined Benefit plan, the City is statutorily obligated to provide funding sufficient to keep the plan actuarially sound. In a typical Defined Benefit plan structure, market gains are expected to fund the majority of this financial obligation. However, when market conditions result in losses and an associated decrease in plan assets, the City is obligated to fund these losses to the extent necessary to make the plan "actuarially whole." Thus, a Defined Benefit plan and its associated benefit structure and contractual liability must be proactively monitored and reviewed in order to ensure the City's fiscal ability to meet its related statutory obligation, as well as to gauge and ensure the sustainability of the plan.

Pension plan funding levels have improved significantly over the past thirteen years. The vested benefit security ratio increased from 48.8% in FY 2007 to 110.9% as of October 1, 2021. This is primarily due to plan revisions and investment returns which averaged 9.25% in 3-year returns, 9.4% in 5-year returns, and 8.8% in 10-year returns. These returns were achieved without adding any unsystematic risk to the pension portfolio. The portfolio ranked in the top 1% percentile against its peers in the US as of 2021.

Health Insurance - Effective in FY 2012, the City migrated away from an HMO-type health insurance plan in favor of Major Medical (high deductible) benefit plan structure, inclusive of an HSA (Health Savings Account). To meet the demands of the current labor market, we have offered a traditional PPO plan, as a buy-up option to employees, in addition to subsidizing dependent and family medical premiums. Additionally, the City continues its proactive healthcare program which includes: education, wellness programs and financial incentives. The City is committed to a balanced employer-employee cost sharing and accountability benefit plan.

OPERATING COSTS

FY 2023 Operating Costs, totaling \$19,235,637 are proposed to increase 10.0% from the prior fiscal year as follows:

	FY 21/22 Original Budget	FY 22/23 Proposed Budget	Change
General	\$5,132,880	\$5,468,877	6.5%
Other Governmental	\$4,859,712	\$5,140,840	5.8%
Enterprise	<u>\$7,488,936</u>	<u>\$8,625,920</u>	15.2%
Total	\$17,481,528	\$19,235,637	10.0%

General Fund changes in operating costs by department are as follows:

	FY 21/22 Original	FY 22/23 Proposed	
	Budget	Budget	Change
Information & General Gov't	\$1,234,410	\$1,033,330	(16.3%)
Community Development	\$1,214,562	\$1,409,350	16.0%
Parks & Recreation	\$1,068,200	\$1,220,438	14.3%
Police	\$1,166,535	\$1,295,421	11.0%
Finance	\$210,913	\$236,576	12.2%
Public Works	\$163,743	\$190,340	16.2%
Executive	<u>\$74,517</u>	<u>\$83,422</u>	12.0%
Total	\$5,132,880	\$5,468,877	6.5%

The operating cost increase in the Police Department is due to aggressive recruitment, compensation, and retention strategies enacted to keep the City as an employer of choice for police officers in a volatile labor market.

CAPITAL OUTLAY

Capital Outlay includes capital improvements such as land, improvements to land and capital equipment defined as vehicles and equipment over \$5,000 in value with a useful life greater than one year. FY 2023 Capital Outlay, totaling \$18M is 14.9% more than last year's budget as follows:

	FY 21/22	FY 22/23	
	Original	Proposed	
	Budget	Budget	Change
General	\$484,000	\$619,186	27.9%
Other Governmental	\$7,725,500	\$8,657,880	12.1%
Enterprise	<u>\$7,506,000</u>	<u>\$8,773,400</u>	16.9%
Total	\$15,715,500	\$18,050,466	14.9%

The substance of the FY 2023 capital budget appears in the Infrastructure Surtax Fund, Transportation-related Funds, Impact Fee Funds (Transportation, Park), Sewer Plant Replacement (ARPA/SRFL) Fund, Capital Project Funds and Enterprise Funds, which are funded by infrastructure surtax, developer fees, grants and/or user fees. A detailed capital list begins on page 18.

GENERAL FUND FISCAL POLICY TEST

Each year, the General Fund is tested to determine if the fund complies with three internal fiscal policies/guidelines as follows:

1. That sufficient recurring revenue exist to pay for all recurring costs, thus avoiding the use of non-recurring revenues and fund balances to fund recurring costs.

- 2. That sufficient recurring and non-recurring revenues are available to fund non-recurring costs.
- 3. That the 25% fund balance policy is being maintained (fund balance equal to or exceeding 25% of personnel and operating costs).

All three policies are being satisfied for FY 2023.

BUDGET CALENDAR

A Commission workshop to consider the Fiscal Year 2023 Proposed Budget is scheduled for July 7, 2022. In accordance with TRIM law, a proposed millage rate is required to be adopted by August 4, 2022. Therefore, consideration and adoption of the tentative millage rate is scheduled for the July 11th regular Commission meeting. The first public hearing for adoption of the Fiscal Year 2023 Budget is scheduled for September 12, 2022 and the final public hearing is scheduled for September 26, 2022.

ACKNOWLEDGEMENTS

The budget process and this resulting document could not have been completed without the support of the Mayor and Commission and the diligent and cooperative efforts of the City's Department Directors and their staff. I would like to personally offer my sincere thanks to our entire team for their cooperation and support.

Shawn Boyle City Manager

¹ For the Enterprise Funds, the budgeted fund equity excludes net capital and that portion of fund balance that is restricted, therefore, it will not tie to ACFR fund equity balances.

Ad Valorem Taxes

Ad valorem taxes represent the largest single revenue source to the City's General Fund. For the proposed budget year, the ad valorem revenue budget accounts for 37% of the total budgeted revenue for the General Fund. The amount of ad valorem revenue generated is a function of the gross final taxable value as established by the Seminole County Property Appraiser and the millage rate (per thousand dollars of property valuation) established by the City Commission. The following graph shows the final gross taxable value (DR-403) for the last ten fiscal years. Please note that the valuation identified for fiscal year 2023 is not the final valuation but rather the valuation as submitted by the Property Appraiser (Early Estimate/DR420).

Fiscal Year	Tax Year	Final Gross Taxable Value from DR-403	Percentage Incr (Decr)
2014	2013	\$1,639,667,121	4.3%
2015	2014	\$1,748,258,752	6.6%
2016	2015	\$1,843,713,578	5.5%
2017	2016	\$1,961,341,503	6.4%
2018	2017	\$2,147,274,968	9.5%
2019	2018	\$2,293,968,241	6.8%
2020	2019	\$2,509,878,198	9.4%

Ad Valorem Taxes (cont'd)

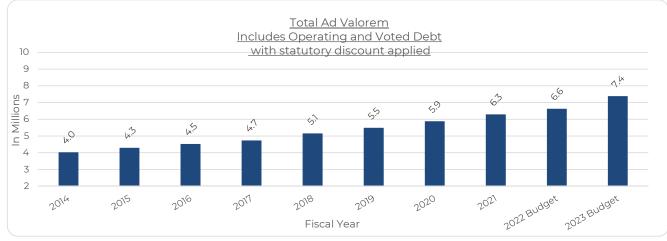

Florida Statute 200.065 - Truth in Millage Bill (TRIM):

This statute went into effect with fiscal year 1982. This law will only allow a taxing authority to receive the same dollar amount of property tax in each subsequent year without advertising a tax increase. If property values increase, exclusive of new construction, the taxing authority is required to reduce, or roll back, the millage rate in order to receive the same tax dollars as the previous year. Any millage in excess of the rolled-back millage is considered a tax increase and must be publicly advertised. Additionally, any tax increase must be publicly announced at two public hearings prior to the budget adoption.

The following chart shows the millage history, both operating and voted debt, for the City of Winter Springs for the last ten fiscal years.

Millage Rate									
Tax Year	Operating	Voted Debt	Total Millage						
2013	2.4300	0.1100	2.5400

Electricity and Communication Services Tax

[Utility taxes – Sections 1-2, Art. VIII State Constitution, Municipal Ordinances 751, 2001-42, 2005-13; Communication Services Tax - Sections 202.19(1), Florida Statutes]

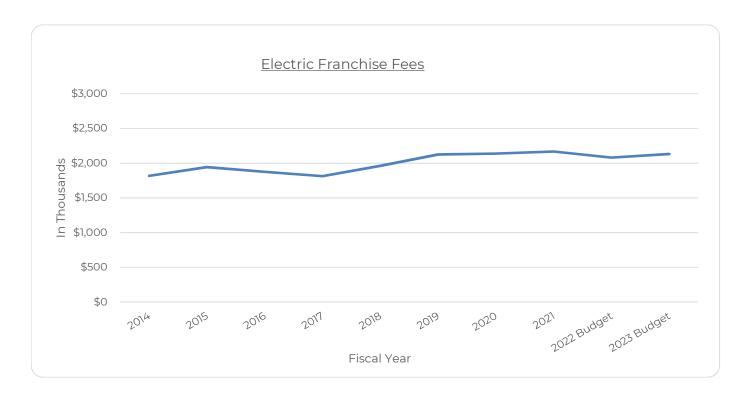

The following chart reflects eight years of historical data for the major revenue sources as well as estimates for our current fiscal year and proposed budget. These revenue streams flow through the General Fund and are obligated for debt service. The electric utility and communication service tax revenues represent 14% and 6% of the budgeted revenues, respectively.

Electric Franchise Fees

[Home Rule Authority - Sections 1-2, Art. VIII, State Constitution]

Electric franchise fee revenue from Duke Energy goes directly to the General Fund and is utilized for the annual debt service requirements via transfers to the debt service fund. The following chart reflects historical data for this revenue source. The current and upcoming fiscal year projections are based on a weighted-average trend analysis. Electric Franchise Fee revenues represent 11% of the General Fund budgeted revenues.

Inter-fund Transfers-In

Inter-fund transfers may be recurring or non-recurring in nature. An example of a *non-recurring* transfer would be one related to a short-lived special project or grant activity. Many of the *recurring* transfers are the result of central service costs being allocated to the funds to which those costs relate, i.e. Utility Billing (Division #1360).

The following list represents those transfers which exceed 1% of total sources of the receiving fund along with the anticipated amount and reason for transfer:

Fund	Amount	Reason for Transfer
1999 Debt Service Fund (#202)	\$1,275,001	From the General Fund for debt service requirements related to the Series 1999 US Bank note
General Fund (#001)	\$764,058	From Water & Sewer - cost allocation for the Utility Billing division of the Finance department

Major Inter-Governmental Revenues

State-Shared Revenues

There are a number of taxes imposed by the State and shared with counties, municipalities and school districts. Based on eligibility requirements the state allocates a portion of state-collected taxes to specified local governments. Two of the state-shared revenues which provide a significant percentage of total fund revenues for the General Fund are Municipal Revenue Sharing and Local Government Half-Cent Sales Tax.

Municipal Revenue Sharing Program

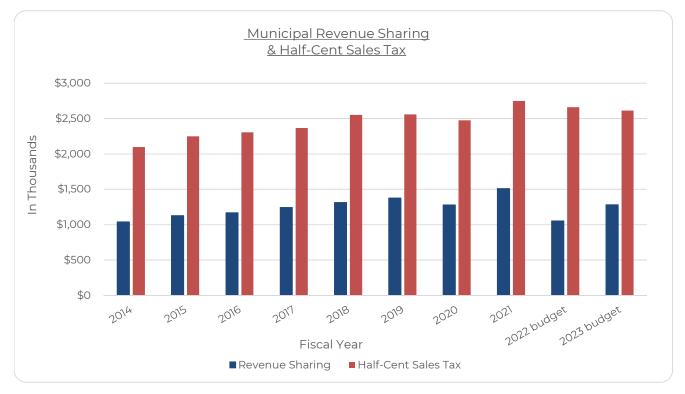

[Sections 206.605(1), 206.879(1), 212.20(6), and 218.20-.26, Florida Statutes]

In order to ensure a certain level of parity across local government units the Florida Revenue Sharing Act of 1972 was enacted. Typically, legislation is passed each year that could potentially impact the amount of sales tax revenues available for distribution to municipal governments. Florida's Legislative Committee on Intergovernmental Relations (LCIR) provides projections which are the basis for the budget. During the current fiscal year, it is expected that this revenue will contribute approximately 6.4% of total General Fund revenues.

Local Government Half-Cent Sales Tax Program

[Sections 212.20(6) and 218.60-.66, Florida Statutes]

This program which was authorized in 1982 is the largest revenue generator among the state-shared revenue sources. The program's primary purpose is to provide funding for local programs while offering relief from ad valorem and utility taxes. Distribution is based on allocation formulas. During the current fiscal year, it is expected that this revenue will contribute approximately 13% of total General Fund revenues.

Intergovernmental Revenues (cont'd)

Local Discretionary Sales Surtax

[Sections 212.054-.055, Florida Statutes]

There are seven types of local discretionary sales surtaxes currently authorized for county and municipal government revenue sources. The infrastructure surtax is also referred to as local option sales taxes. There have been three generations of infrastructure surtax. The first generation was a 1% surtax which became effective in Seminole County on October 1, 1991 and expired on September 30, 2001; the second generation became effective on January 1, 2002 and expired on December 31, 2011.

A third generation of this 1% sales surtax was approved by voters in May 2014 and became effective on January 1, 2015 and will expire December 31, 2024. The revenue and expenditure budget relative to the third generation infrastructure surtax will be accounted for in the Infrastructure Surtax Fund [previously identified as the Road Improvements Fund (#121)] and will primarily be utilized for transportation-related projects and other public infrastructure.

Charges for Services

[Utility Fees - Home Rule Authority Sections 1-2, Art. VIII, State Constitution]

The Water and Sewer Utility Fund and the Stormwater Funds are enterprise funds with a customer base of approximately 14,200 whose primary revenue streams consist of charges for service. The Solid Waste fund is a special revenue fund established to account for fees for solid waste and recycling services performed by contract vendors. The City retained a consultant to review the adequacy of all utility rates, fees and charges for the operation, maintenance, replacement and debt service of the water and wastewater systems. Rate increases (with CPI adj) were warranted, approved and implemented with the billing cycles in October 2009. The following chart indicates two years of rate history for potable water, reclaimed water, irrigation-metered water, and sewer.

Debt Management

As set forth in the City's Comprehensive Improvement Element (CIE), the City shall manage debt issuance and obligations according to sound public fiscal management principles so that the City is able to provide needed capital improvements and maintain services at adopted levels of service (LOS).

Criteria for Managing Debt Financing:

The City does not have legal debt limits or utilize specific debt ratios such as the limitation on the use of revenue bonds as a percent of total debt; the maximum ratio of total debt service to total revenue; and the maximum ratio of outstanding capital indebtedness to property tax base. Instead each debt issuance is evaluated on an individual basis giving consideration to the following factors:

- type of facility being financed
- > significance of the annual debt service requirement
- favorable impact to the City
- economic capacity of the City
- > overlapping debt which depends on the same economic base
- projected City growth rate

Criteria in Selecting Revenues to Finance Public Facilities:

To the extent possible, the following revenues are to be utilized to finance public facilities (listed in order of priority and preference):

- Grants or other intergovernmental sources
- > Developer contributions (inclusive of dedicated land and impact fees)
- > User revenues (inclusive of charges for services, local option gas tax, etc.)
- Sales tax (local option infrastructure surtax)
- Debt Financing
- Ad valorem property taxes

Since some sources are not appropriate or legally available for a particular purpose, the above list is advisory in nature and not to be construed as obligatory.

Organization-Wide Debt Service Requirements

Exclusive of internal loan to the Tuscawilla III Assessment District (detail on successive pages)

¹ The Public Communication Services Tax and Electric Franchise Fees are pledged revenues to pay debt service expenses related to the Improvement Refunding Revenue Debt. Anticipated revenues from these funds are expected to be more than sufficient for the debt service requirements.

² The TLBD Debt Service Fund has an established legal maximum of \$43/ERU. The Tuscawilla Improvement Area Special Assessment Bond, Series 2001 was refinanced with a commercial bank note for the remaining term at 3.25% (fixed rate). The Present Value effect of this refinancing is a savings of \$276,584.

³ This note is a 20-year variable rate note (indexed to the 5-year US Treasury) funded by the City of Winter Springs and is secured by a special assessment district levy (Tuscawilla III Capital) for the purpose of a capital wall project in a residential vicinity within the Tuscawilla community. - 1 In fiscal year 2021, current refunding opportunities arose to refinance Water & Sewer State Revolving Loan Series 2013 and Water & Sewer Refunding Revenue Note Series 2018 (Synovus Bank) with an interest rate of 1.72% maturing October 2032.
- 2 State Revolving Loan granted by the State of Florida has a 20-year amortization and a 0.72% fixed rate of interest over the entire life of the loan. This financing will be used for water quality improvements.
- 3 A look at the total debt service requirements for this utility reflects a relatively level annual requirement. The debt service requirements are based on the accrual method which means the interest expense is matched to the period in which it is incurred not necessarily when paid. This fund has projected fund equity in excess of the target fund equity of 25% of operating expenses. Rate increases, necessary to meet debt coverage requirements, were instituted by the Commission as follows: October 2009-7%, October 2010-7%, October 2011-7%, thereafter, a CPI rate escalator.

Financial Structure

Introduction

The operations for the City of Winter Springs are accounted for on the basis of fund and account groups. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Winter Springs, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Fund Categories

All of the funds of the City of Winter Springs can be divided into three categories governmental funds, proprietary funds, and fiduciary funds. The City has four types of governmental funds: General, Special Revenue, Debt Service, and Capital Project. The City of Winter Springs maintains one type of proprietary fund called enterprise funds. Such funds have been established for the *Water and Sewer Utility, Development Services*, and the *Storm Water Utility Fund*. The *Pension Trust Fund* is the only fiduciary fund and is not reflected in this budget because the resources of such funds are held for the benefit of parties outside the government. It is the only fund that is included in the Comprehensive Annual Financial Report that is not included in this budget.

For the audited financial statements, the accrual basis is the accounting basis that is utilized for the Enterprise and Pension Funds; the modified accrual basis is utilized for all others. Under the accrual basis, revenue and expense items are recognized as they are earned or incurred, even though they may not have been received or actually paid in cash. The general idea is that economic events are recognized by matching revenues to expenses (the matching principle) at the time in which the transaction occurs rather than when payment is made (or received). Under the modified accrual basis, revenue is recognized when it is earned and becomes available and measurable. Expenditures are typically recognized in the period in which the liability is incurred.

The basis of accounting for budgetary purposes is the largely the same as that used under the GAAP basis of accounting. The following highlights some of the significant relationships:

- Under the GAAP basis of accounting in the Enterprise (or proprietary) Funds, the receipt of long-term debt proceeds, capital outlays and debt service principal payments are not reported in operations, but allocations for depreciation and amortization expense are recorded. The opposite is true under the budgetary basis of accounting.
- Encumbered amounts are commonly treated as expenditures under the budgetary basis of accounting while encumbrances are not classified as expenditures under the GAAP basis of accounting. Conservatively, the beginning budgeted fund balance assumes full depletion of the prior fiscal year's budget.
- Budgetary revenues and expenditures may include items classified as "other financing sources" and "other financing uses" under the GAAP basis of accounting.
- Under the GAAP basis of accounting, changes in the fair value of investments generally are treated as adjustments to revenue, which is not the case under the budgetary basis of accounting.
- The fund structure used in GAAP financial statements does not differ from the fund structure used for budgetary purposes; however, there are interfund transfers which are budgeted in the general fund for transfer to an appropriate debt service fund for the annual debt service payments and related accounting.

Also designated is each fund's classification as a major or non-major fund as determined by the calculation used in the fiscal year ending September 30, 2021 Comprehensive Annual Financial Report. A major fund is one whose revenues, expenditures/expenses, assets, or liabilities (excluding

extraordinary items) are at least 10 percent of corresponding totals for all governmental *or* enterprise funds and at least 5 percent of the aggregate amount for all governmental *and* enterprise funds for the same item. The prescribed accounting basis and fund classification is indicated below for all funds.

Governmental:

General Fund

MAJOR/modified accrual basis

This is the chief operating fund of the City of Winter Springs. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Special Revenue Funds

(#101) Police Education Fund

non-major/modified accrual basis

This fund accounts for the costs of educational expenses for police officers. It is funded by a portion of the collections from fines and forfeitures.

(#102 and #103) Special Law Enforcement Trust Funds (Local and Federal, respectively) non-major/modified accrual basis

These funds were established to receive revenues derived from confiscated property obtained during the enforcement of illegal operations. Proceeds are utilized strictly for law enforcement purposes, exclusive of salaries and vehicles. Such purposes may include drug education programs such as the DARE program.

(#120) Transportation Improvement Fund

non-major/modified accrual basis

Revenues in this fund are derived from Local Option Gasoline Tax distribution. Proceeds are to be used for road, right of way, and drainage maintenance and equipment necessary to build or maintain roads, right of ways, and drainage.

(#130) Solid Waste / Recycling Fund

MAJOR/modified accrual basis

This fund is used to account for fees for solid waste and recycling services performed by contract vendors. Proceeds are used to pay monthly vendor charges for providing solid waste and recycling services.

(#140) Arbor Fund

non-major/modified accrual basis

This fund is used to account for arbor revenues. This revenue source is used to maintain plantings in the city.

(#121) Infrastructure Surtax Fund

Previously Road Improvement Fund

MAJOR/modified accrual basis

This fund is used to account for collected one-cent sales tax revenues to be primarily used for infrastructure improvements and other related capital projects & assets.

(#150) Transportation Impact Fee Fund

non-major/modified accrual basis

This fund is used to account for collected impact fees on new development to defray the cost of future road construction as a result of growth.

(#150) Police Impact Fee Fund

non-major/modified accrual basis

This fund is used to account for collected impact fees on new development to defray the cost of capital investment needed to maintain the level of police service due to future growth.

(#152) Fire Impact Fee Fund

non-major/modified accrual basis

This fund is used to account for collected impact fees on new development to defray the cost of capital investment needed to maintain the level of fire service due to future growth.

(#153) Park Impact Fee Fund

non-major/modified accrual basis

This fund is used to account for collected impact fees on new development to defray the cost of capital investment needed to develop and improve the parks due to future growth.

(#160) TLBD Maintenance Fund

non-major/modified accrual basis

This fund is used to account for collected special assessments for maintenance related to the Tuscawilla Lighting and Beautification District phases I and II. In fiscal year 2006-2007, two maintenance programs were streamlined into one assessment district and are accounted for in fund #160.

(#161) Oak Forest Maintenance Fund

non-major/modified accrual basis

This fund is used to account for collected special assessments for maintenance related to the Oak Forest subdivision wall.

(#162) Tuscawilla Phase III Maintenance/Debt Service Fund

non-major/modified accrual basis

This fund is used to account for collected special assessments for maintenance and capital/debt service related to the Tuscawilla Units 12/12A wall (Hawk's Reserve).

(#180) Sewer Plant Replacement – ARPA SRFL

non-major/modified accrual basis

This fund is newly created to account for funds received under the American Rescue Plan Act (COVID19) and anticipated funds which will be received from the State Revolving Fund Loan. These funds are dedicated for the replacement of the East & West Sewer Plants.

Debt Service Funds

(#202) 1999/2011 Debt Service Fund

non-major/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal, interest, and related costs for the Series 2011 BB&T note, which partially refunded the 1999 bond issue.

(#240) Central Winds General Obligation Debt Service Fund

non-major/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal, interest, and related costs for the 2002 limited general obligation bond which was refinanced in May 2012 with a private placement note payable. During FY2017, the note was internally financed at 0%. A voted debt levy was authorized by referendum to finance the annual debt service. This debt was extinguished in FY2020.

(#261) TLBD Debt Service Fund (Phase I)

non major/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal, interest and related costs for the 2001 special assessment bond issue which was refinanced in October 2011 with a private placement note payable.

Capital Project Funds

(#301) 1999 Construction Capital Projects Fund non-major/modified accrual basis This fund was established for the acquisition and construction of City-owned capital improvements.

(#302) Revolving Rehabilitation Capital Projects Fund non-major/modified accrual basis This fund was established to fund capital improvements and economic development within the City.

(#303 Public Facilities Capital Project Fund non-major/modified accrual basis This fund was established to fund capital projects within the City.

(#305) Excellence in Customer Service Initiative Fund

This fund was established to account for capital improvements for the purpose of increasing the level of customer service (i.e. redesign of the City Hall lobby/bathrooms, acquisition of software, new phone system).

Proprietary:

Enterprise Funds

(#410/412) Water and Sewer Utility Fund MAJOR/accrual basis This fund was established to account for the provision of water and sewer services to the residents of the City.

(#420) Development Services Fund

MAJOR/accrual basis

This fund was established in 2003 to account for plans, inspections and related customer service as an enterprise fund.

(#411) Stormwater Utility Fund MAJOR/accrual basis This fund was established to account for the stormwater management department as an enterprise fund.

Fiduciary:

Pension Plan Trust Fund

accrual basis

This fund accounts for the contributions to the defined benefit plan. Because this fund accounts for the resources held for the benefit of parties outside the government it is not included in the budget document.

Budget Process

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all funds. The budget is established through the following procedures:

- In January and February, City Manager and department directors begin preliminary budget discussions regarding the next fiscal year. Directors submit budget requests in early spring followed by the refinement and balancing process.
- About March of each year, the budget calendar is presented by staff and approved by the City Commission.
- In the spring, budget meetings/workshops are convened which may include department directors, support staff, City Manager, Finance Director, Budget Analyst, Mayor and Commission. From those in-house workshops, the Proposed Budget is prepared.
- On or before July 1 of each year, the City Manager submits the Proposed Budget to the Commission for consideration.
- The City Commission may hold informal budget workshops which the public is invited to attend.
- In July, the City Commission establishes the tentative millage rate (DR 420) which becomes the millage 'ceiling' when approving the annual millage rate and budget in September.
- Also established at this meeting is the rolled-back rate calculation, the date, time and place of the first Public Hearing. Once these determinations have been made, they are communicated via the DR 420 to the Seminole County Property Appraiser, the Seminole County Tax Collector and the Department of Revenue. This information is advertised via the Notice of Proposed Property Taxes (TRIM Notice) which is mailed to property owners by the Seminole County Property Appraiser.
- Two to five days prior to the second public hearing the notice of the final budget hearing and budget summary is advertised in a newspaper of general paid circulation.
- On or before September 30 of each year, after two public hearings, the Commission adopts the budget and establishes the ad valorem tax millage rates.
- The TRIM (Truth in Millage) compliance package is submitted to the Department of Revenue.
- The budget may be formally amended by the Commission at any time.

	(Must be sent within 35 days of certification of value)
August 24	Deadline for Property Appraiser to send TRIM Notice to property owners
	(Considered notification of Tentative public hearing; must be mailed by PA
	within 55 days of value certification)
September 12	Public Hearing (Tentative)
	Tentative millage and budget hearing (Resolutions)
	(Must be within 80 days of value certification but not earlier than 65 days
	after certification)

Final/Adopted:

September 22	Advertisement publication date (Thursday for Seminole Extra) for final millage and budget hearing					
	(Final public hearing must be within 15 days of the tentative public hearing)					
September 26	Public Hearing (Final)					
	Final millage and budget hearing - Adoption of final millage and budget must be done separately and in that order (Resolutions) (Hearing must be held not less than 2 days or more than 5 days after advertisement is published)					
by September 29	Resolution to Property Appraiser					
	Resolution to Tax Collector					
	(Must be submitted within 3 days after adoption of final millage rate)					
by October 26	Mail TRIM package to Property Tax Administration Program Department of Revenue (Must be submitted within 30 days of final adoption)					

Budget Transfers and Amendments

- The legal level of budgetary control is at the department level.
- The City Manager is authorized to transfer budgeted amounts between accounts within a department.
- The budget is an annual one, as such, unexpended appropriations for these funds lapse at the end of each fiscal year.
- Increases to the budget are accomplished by resolution duly adopted by the Commission. There may be two amendments to the budget each fiscal year one at approximately midyear and one within 60 days of the fiscal year-end.

Budget, Financial and Management Guidelines

<u>General</u>

- An independent audit will be performed annually. The City administration will promptly evaluate the audit management letter, if necessary, to determine the necessary steps to implement the audit recommendations.
- Financial records to be maintained on a basis consistent with Generally Accepted Accounting Principles (GAAP) and the Government Accounting Standards Board (GASB).
- The City will strive to maintain a fund balance in the General and Enterprise funds of 25% of personnel services and operating expenditures which serves to protect against the need to reduce service levels or raise taxes and fees due to temporary revenue shortages or unpredicted spikes in expenditures.
- The City will strive to ensure that personal and operating costs do not exceed recurring revenues; that is, recurring expenses will not be funded with non-recurring revenue.
- It will be the City's highest priority to maintain current service levels for all essential services.
- Employee positions are fully-funded.

Revenues

- The City will strive to maintain diversified revenues for the sake of fiscal stability and to most equitably distribute the cost of services.
- The City will set user-fees for all enterprise funds at a level that fully supports the total direct and indirect cost of the activity.
- A portion of the cost of non-enterprise activities may be considered for subsidy provided that such action is consistent with the interests of the City and with all legal requirements.
- The use of one-time revenues to fund ongoing expenditures is discouraged.

<u>Budget</u>

- The City will abide by a structured budget process and comply with the "Truth in Millage" state statute which regulates taxing authorities in the millage assessment process.
- Budgets are considered balanced when revenues and appropriations from the fund (if applicable) equal expenditures and appropriations to the fund (if applicable).
- Recurring revenues should be sufficient to pay for all recurring costs thus avoiding the use of non-recurring revenues and fund balances to fund such costs.
- The City will adhere to all Federal, State, and local legal requirements related to the operating budget.
- The City will maintain a budgetary control system to ensure budgetary compliance.
- All fund balances will be presented in the annual budget.
- The City will attempt to avoid layoffs of permanent employees in order to balance the budget.

Purchasing

- The City Manager is authorized to purchase or to contract for all commodities and services which do not exceed \$50,000; those in excess require written bids and Commission approval.
- Regarding bids, the City of Winter Springs intends to secure a source of supply for item(s) or services(s) at the lowest price; early and satisfactory manufacture; and prompt, convenient service and shipment.
- Purchase orders over \$5,000 must be approved by the City Manager.
- Purchases for commodities and services over \$2,500 require three quotes unless a sole source vendor is being utilized or the City is piggy-backing off another governmental agency.

Investments and Cash Management

- Cash and investments are managed in accordance with the City's investment policy while providing for liquidity to meet the City's needs in a sound and prudent manner.
- The City administers a cash management and investment program that seeks to maximize, in
 order of priority, the preservation of funds, liquidity, and interest earnings over its cash and
 investments.
- The City will collect revenues aggressively, including past due bills and may utilize a collection agency to accomplish this.

Capital Assets

- The budget will provide for the maintenance and replacement of capital assets which are defined as expenditures which equal or exceed \$5,000.
- The City has a five-year Capital Improvements Plan (CIP) which it annually reviews and updates to ensure that all necessary capital improvements are being incorporated. This plan is a multi-year prioritized schedule of capital improvements (which equal or exceed \$50,000) by intended year of purchase or commencement, the amount of expenditure per year, method of financing and annual operating costs.
- Assets will be inventoried annually. Assessment as to condition of all major capital assets is routinely evaluated by the respective departments.
- When appropriate, surplus and obsolete property will be disposed of at public auction.

Debt Management

- There are no limitations placed on the amount of debt the City may issue either by the City's charter, code of ordinances or State statute.
- The City shall manage debt issuance and obligations according to sound public fiscal management principles so that the City is able to provide needed capital improvements and maintain services at adopted levels of service (LOS).
- Debt service managed to ensure that timely payment of principal and interest is made and that bond covenants are met so as to maximize efficiency and credit-worthiness.
- General obligation debt will not be used to finance the activities of enterprise funds.
- The term of any bonds shall not exceed the useful life of the expenditures being financed.
- Long-term debt will not be utilized to fund current and ongoing operations.
- For long-term debt, the City uses financial advisors independent of bond brokerage houses and independent bond counsel to determine the best method of financing.
- The City will maintain an adequate debt service fund for each bond issue.
- See Debt Service section for a list of criteria for managing debt financing and selecting revenues to finance public facilities.

Pension Plan

- Employees become plan participants on the first day of the month immediately following the date six months after the first day of employment.
- The City will provide sufficient funding to the pension plan in order to ensure that the plan will be able to fully meet its obligations to retired employees on a timely basis. Accordingly, the City will retain independent actuarial advisors to provide the minimum annual required contribution for both employer and employee.
- The Defined Benefit (DB) plan is closed to employees hired after October 1, 2011. DB Employees have a required contribution rate of 5%. For employees hired after October 1, 2011, the City contributes 5% to a Defined Contribution (DC) plan with eligibility for an additional 2.5% matching contribution.

FIRE OVERVIEW

All Divisions

On October 2, 2008, the City's fire department was consolidated with Seminole County. Firefighters were given the option of remaining in the City's pension plan or changing to the Florida Retirement System (FRS). The County remits funds for the active firefighters in their workforce per the FRS rate in effect for the given plan year. The contractually obligated funding differential for those firefighters opting to remain in the City's plan is charged to this cost center as well as the cost of paying down the unfunded pension liability for all retired firefighters. As of mid fiscal year 2022, no City firefighters remain in with Seminole County.

APPENDIX

THIS PAGE INTENTIONALLY LEFT BLANK

GLOSSARY

account number – in accordance with the state chart of accounts, each class of expenditures and revenues is assigned a specific account number for use within the City's accounting system

ad valorem tax – a tax levied on assessed value of real property (land and buildings) and personal property (business equipment) within the City and not expressly exempt; also known as property tax

accrual basis – method of accounting that focuses on total economic resources and recognizes the financial effect of transactions, events, and interfund activities when they occur, regardless of the timing of related cash flows

actual – historical data as opposed to budget data; those funds which have been already been received or utilized as opposed to budgeted funds that are merely estimates of possible funds to be received or utilized

annual budget – an estimate of expenditures for specific purposes during the fiscal year (October 1 – September 30) and the estimated revenues for financing those activities

appropriation - an authorization granted by the City Commission to make expenditures and to incur obligations for the purposes specified

assessed valuation – property valuation established by the County Property Appraiser as a basis for levying taxes

ARPA – American Rescue Plan Act; Federal grant (COVID19)

balanced budget – budget in which each fund's revenues and appropriations from the fund (if applicable) equal expenditures and appropriations to the fund (if applicable)

bonds - a certificate of debt issued by a government or corporation in order to raise money; the issuer is required to pay a fixed sum annually until maturity and then a fixed sum to repay the principal

budget – expenditure authority created by resolution which is an estimate of anticipated income and expenditures for the fiscal period with a plan to maintain a proper balance between the two

capital – a level of budgetary appropriation that includes expenses for land, building, machinery and equipment; expenditures must equal or exceed \$5,000 to be considered for capitalization and have a useful life that extends beyond a single reporting period

capital project fund – a fund type used to account for the sources and applications of funds related to the acquisition or construction of major capital facilities

CIP – Capital Improvement Program; also, Construction in Process account 560650

contingency – an appropriation of funds to cover unforeseen events that occur during the fiscal year

CRA – Community Redevelopment Area; a public entity created to implement redevelopment activities as outlined under Chapter 163, Florida Statutes; the investment generates increased tax revenues which then finance the debt issue (see also TIF)

debt service – the payment of principal and interest on borrowed funds such as bonds

debt service fund – a fund type used to account for the accumulation of resources for the purpose of paying long-term principal and interest

defined benefit plan – pension plan that has terms specifying the amount of benefits to be provided after separation of employment; to be distinguished from a defined contribution plan in which the plan specifies the amount of the contribution to the plan

department – an organizational unit comprised of one or more programs, responsible for carrying out a major governmental function

depreciation – the decrease in value of physical assets due to use and the passage of time

employer contribution – in the context of pension benefits a term to describe contributions actually made by the employer in relation to the annual required contribution (ARC) of the employer

encumbrance – an amount of money committed for the payment of goods and services not yet received (performed) or paid

enterprise fund – a self-supporting fund designed to account for activities supported by user charges and operated in a manner similar to private business enterprises; the Water and Sewer Fund is an example of an enterprise fund

excise tax - a tax assessed on the consumer of a service, usually a utility service that is based upon the level of consumption

expenditure – the amount of money actually paid or obligated for payment from City funds

fiduciary fund – a fund type used to reports assets held in trust for others which therefore cannot be used to support the government's own programs (i.e. pension trust fund)

fines and forfeitures – revenues derived from penalties imposed for the commission of statutory offenses, violation of lawful administrative rules and regulations and for neglect of official duty; confiscated property is an example of this revenue category

fiscal year – any period of 12 consecutive months designated as the budget year; the City's budget year begins October 1 and ends September 30; the year is represented by the date on which it ends. October 1, 2020 to September 30, 2021 would be Fiscal Year 2021 (FY21)

FY - Fiscal Year

franchise fee – a fee assessed on a business, usually a public utility, in return for giving them the exclusive right to operate inside the City limits

FTE – Full-Time Equivalent, which is calculated on the basis of the number of hours that have been budgeted for a particular position; i.e. 1 FTE = 2080 hours, .5 FTE = 1040 hours

fund – an accounting entity that has a set of self-balancing accounts and that records all financial transactions or specific activities of government functions

fund balance – the resources available for appropriation in accordance with the prescribed basis of budgeting

fund equity - net assets less net capital; noncapital portion of net assets

GAAP - Generally Accepted Accounting Principles as promulgated by the Governmental Accounting Standards Board

GASB - Government Accounting Standards Board; the source of GAAP used by State and Local governments for the purpose of establishing and improving accounting and financial reporting standards

General Fund – the general operating fund of the City which is supported primarily through taxes, fees and intergovernmental revenues and includes most of the essential governmental services such as police, public works, and general administration

General Obligation Debt – one of four basic forms of long-term debt that pledges the general credit and taxing powers of the borrowing government and which, therefore, requires voter approval for issuance

GIS – Geographic Information Systems

HOA – Homeowners Association

impact fees – fees charged to developers at the time of development for construction of facilities to serve the development site

interfund transfer – flow of assets between funds without equivalent flow of assets in return and without requirement for repayment

LCIR – the State of Florida's Legislative Committee on Intergovernmental Relations; provides some intergovernmental revenue estimates for budgetary purposes

LIBOR – London Interbank Offered Rate; the rate at which banks offer to lend unsecured funds to other banks in the London wholesale money market

Local Option Gas Tax – a tax established in 1983 to fund transportation-related improvements

major fund – a fund whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental *or* enterprise funds and at least 5 percent of the aggregate amount for all governmental *and* enterprise funds for the same item

maximum millage rate – the maximum millage that a county or municipality may levy with a simple majority vote of the governing body; other voting requirements will allow a municipality to adopt a millage rate in excess of the maximum millage rate

millage rate – the tax rate on real and personal property, with one mill equal to \$1.00 per \$1,000 of assessed property value

modified accrual basis – method of accounting that focuses on current financial resources; revenues are recognized when measurable and available, expenditures are recognized when governments usually liquidate the liability rather than when that liability is first incurred

MSTU – Municipal Services Taxing Unit; funding mechanism to create a special taxing district to make improvements to the community

nonmajor fund – a fund that does not meet the definition of a major fund (see definition for major fund)

operating budget – that part of the budget to support expenditures supported by income that is annually recurring

operating costs – those costs not defined as capital and related financing, noncapital financing, or investing activities

original budget – the first complete appropriated budget which is approved at the second public hearing in September

proprietary fund – a fund type whose focus is on profit and loss aspects (operating income, changes in net assets, financial position and cash flows); Enterprise Funds and Internal Service Funds are the two types of Proprietary Funds

retirement benefit multiplier – the rate applied to the average compensation multiplied by the employee's years of accrual service to yield the amount payable under the normal retirement pension

rolled-back millage rate – the tax rate which produces the same amount of taxes as levied in the prior year when calculated against the current year's tax base exclusive of new construction **ROW** – Right of Way; as in road right of way

special revenue fund – a fund established for the purpose of accounting for specific sources which are restricted by law or policy to finance specific activities

SRFL – State Revolving Fund Loan; State of Florida funding opportunities

TIF – tax increment financing; a tool to use future gains in taxes to finance the current improvements that will create those gains; property values in the CRA are capped at the assessed value in the base year; thereafter, any tax revenues due to increases in value in excess of the base are dedicated to the redevelopment area

TLBD – Tuscawilla Lighting and Beautification District; an assessment district

TMDL – Total Maximum Daily Load is a calculation of the maximum amount of a pollutant that a waterbody can receive and still meet water quality standards

transfers – see interfund transfers

Truth in Millage (TRIM) – State statutes governing the determination of millage for taxing authorities; requires strict parameters for advertising, public hearings, levy methods, etc.

user charges – the payment of a fee for direct receipt of a public service by the party benefiting from the service

utility tax – a tax levied by cities on the consumers of various utilities such as electricity, gas, and telephone service

W&S – Water and Sewer Utility Fund

WTP - water treatment plant
