

FOR IMMEDIATE RELEASE:

The Savoy Gracious Retirement Living opens a new retirement community for active seniors, celebrating its GRAND OPENING on June 26, 2022

Winter Springs, FL – June 8, 2022

Hawthorn Senior Living, the management company of The Savoy Gracious Retirement Living, proudly welcomes its newest active retirement community to a portfolio of happy communities. Residents of The Savoy have 50 unique styles of suites to choose from and 145 month-to-month rental apartments with no buy-in fee. The leasing office opened on-site in 2021 with significant interest from seniors looking to retire from the chores of homeownership, living alone, or experience a brand-new independent living community. Experts in retirement, The Savoy opened its doors early this year with an established and industry-leading management philosophy, a renowned culinary program, and an enriching activity calendar.

Industry-leading management. Ensuring the best experience for the residents happens by having our managers live it with them. Two sets of managers live on the property, eating the same food, participating in the same activities, and being available during emergencies 24/7. Said Florida Regional Director of Operations, Kevin Boje, “for many residents, our managers begin to feel like family. And during an emergency in the middle of the night, when you need your family there in four or five minutes, it’s comforting to our residents to know that we’re here for them at the touch of a button.”

A renowned culinary program. The residents at The Savoy fellowship together at meals, over multiple courses, from a scratch-based menu, three times each day. With several offerings delivered by uniformed servers, residents leave satisfied and looking forward to the next meal.

An enriching activity program. The active lifestyle at The Savoy is built on 7 essential aspects of a purposeful life. It’s tailored to the current population of residents with the goal that everyone is involved and always looking forward to their day.

A GRAND OPENING. The security of Live-in Managers, the amazing food, the vibrant lifestyle, and incredible apartments must be seen to be appreciated. Please celebrate our Grand Opening on Sunday, June 26, between 11 am to 4 pm with a personal tour.
