

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

City of Winter Springs

Florida

For the Fiscal Year Beginning

October 1, 2007

Ohnen S. Cox

they R. Ener

President

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the **City of Winter Springs**, Florida for its annual budget for the fiscal year beginning October 1, 2007. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, an operations guide, a financial plan and a communications device.

This award is only valid for a period of one year. We believe our current budget continues to conform to program requirements and we are submitting it to GFOA to determine its eligibility for another award.

- The City Manager is appointed by the Commission.
- The City Clerk is appointed by the Mayor with ratification of the City Commission and works with the City Manager.
- The City Attorney is appointed by the Mayor with ratification of the City Commission and works under the direction of the City Commission.
- Advisory Boards are appointed by the Mayor and the City Commission and work under the direction of the City Commission.

Winter Springs at a Glance

The City of Winter Springs, incorporated in 1959, is located in Seminole County, which is part of the greater Orlando metropolitan area in East Central Florida. This area is one of the fastest growing areas in the county. The City currently has a land area of 14.78 square miles and a population of approximately 35,000 which is up approximately 30% from that of ten years ago.

The City operates according to a Council/Manager form of government, with an appointed City Manager, five elected City Commissioners and a separately elected Mayor. The governing body is responsible for passing ordinances, adopting the budget, appointing committees, and hiring the City's Manager, Clerk, and Attorney. The City Manager is responsible for carrying out the policies and ordinances of the governing body, for overseeing the day-to-day operations of the government, and for hiring the directors of the various departments.

The City of Winter Springs provides a range of services including police protection; the construction and maintenance of highways, streets, and other infrastructure; and recreational activities and cultural events. Effective October 2, 2008 the City's Fire department will be consolidated with Seminole County's Fire department. The City maintains a Water and Sewer Utility, a Stormwater Management Fund, and a Development Services Fund which essentially function as departments of the City of Winter Springs.

The City of Winter Springs is primarily a retail, office and residential area with a small amount of light industry and commerce. Due to the downward housing trend and the effects of Amendment One, fiscal year 2008-2009 yields the first occurrence of a decline (9%) in the gross taxable value. Both commercial and residential construction projects are anticipated this fiscal year for 160 luxury apartments, 364 single-family/townhouse units, 60 condominiums and approximately 45,000 square feet of commercial space. Despite recent declines in state revenues the City's total millage rate (inclusive of MSTU) remains among the lowest in Seminole County.

History-in-Brief

Often referred to as the "sleeping giant" because of its land size, Winter Springs can trace its history back to the 1600s. The tract of land now known as Winter Springs was historically designated the Levy Grant when it was deeded in 1611 to Moses B. Levy by the King of Spain for supplying horse feed for the King's cavalry in the war fought over the Florida peninsula. From that time, until 1956, the land lay dormant, a placid area of scrub pines, palmetto trees and swamps, until Raymond Moss and William Edgemon surveyed the tract for its financial potential. In 1957 Moss and Edgemon purchased the land under the name of the North Orlando Company which was subsidiary of the Silver Creek Precision Company out of Silver Creek, New York.

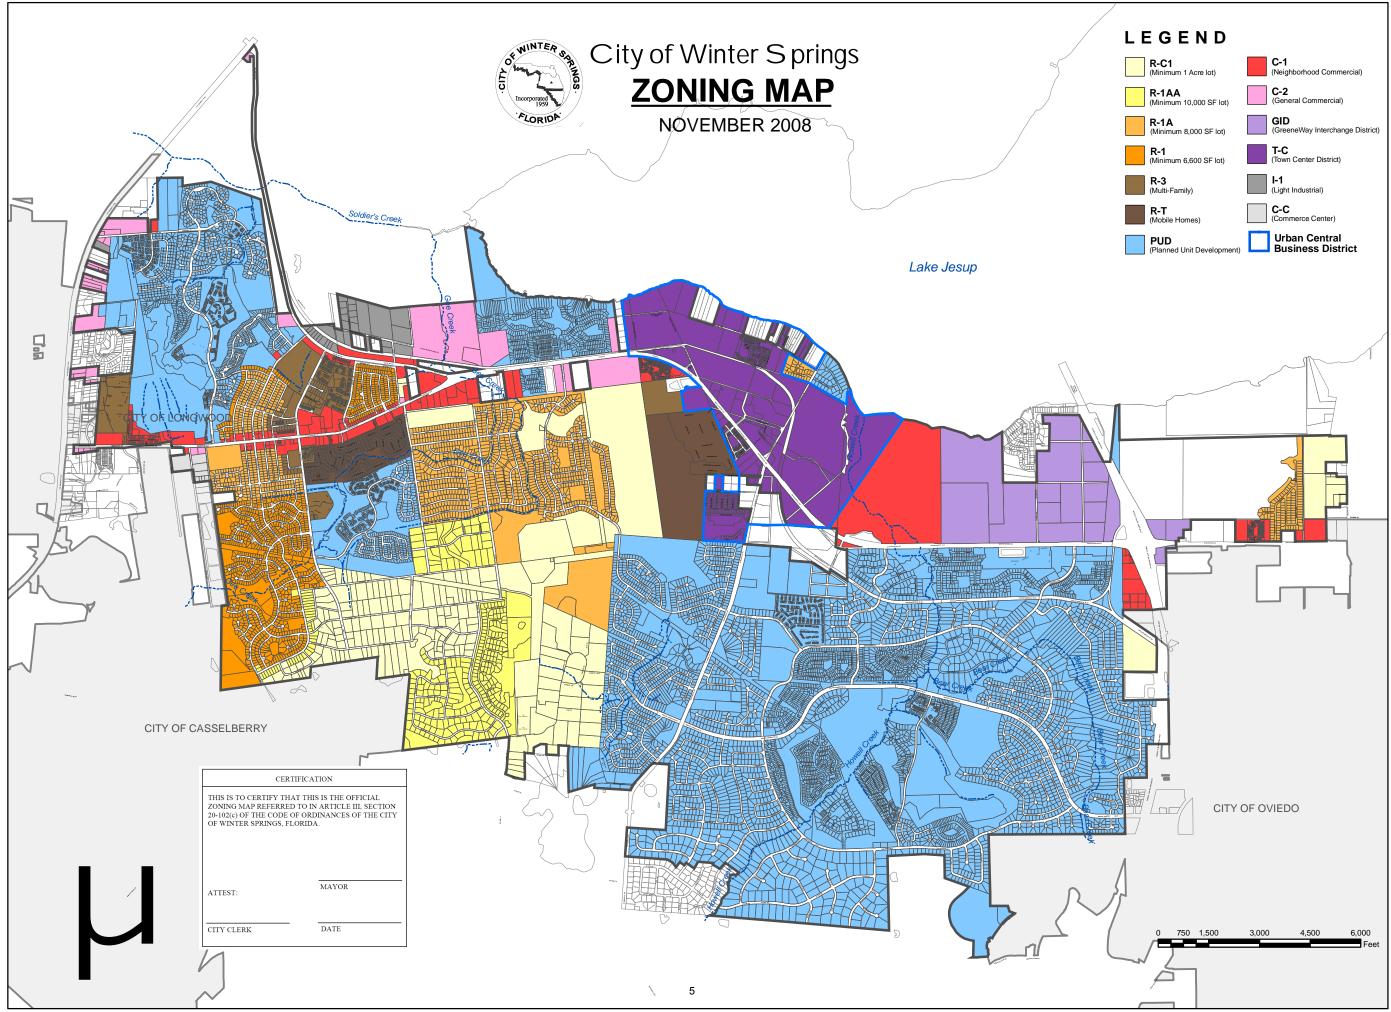

The first 300 residents moved into homes in 1959. The area was incorporated that same year as the Village of North Orlando. The chief reason for the incorporation was to benefit the developers as their instrument to establish their own ordinances and regulations. North Orlando also developed water and sewer utilities at that time. Truly a "company town", even the political scene was controlled by the North Orlando Company for some years.

From 1959 thru 1961 the Company appointed the five council members. By secret ballot those five members selected a Mayor. It wasn't until 1962 that the villagers had an opportunity to select members of council who would represent their needs. In 1966, by a referendum charter change, it was decided to have a Mayor who was elected by the people. The Village's first "people's Mayor" was George Fuller.

The year 1970 marked the beginnings of the Village's most dramatic changes. North Orlando contained 300 or so homes located on either side of SR 434, an area of 1-5 acre lots known as the Ranchlands, one store known appropriately as the North Orlando Super Market, and one building on SR 434 owned by Florida Land Company which housed the water company office, offices for Florida Land Company employees and an office used by the Village as a City Hall. Folks who remember "back when" still talk of the cramped smoke-filled room that served the Village as City Hall, Building Department, Fire and Police Stations, Public Works, and Court. Many a night, if there was an important matter under discussion, all windows and doors in the room were opened so that the citizens who could not fit into the small room could stand outside to see and hear the proceedings.

From 1971 through the next few years, progress really took an upswing. Building boomed with Meadowlark, the Terraces, Hacienda Mobile Home Park, and others. The area now known as Tuscawilla, formerly Winter Springs Development, was annexed into the City, nearly doubling the City's land area, making it the largest land area in Seminole County. The new stores became part of the City - the Shop and Go, and Jack's Mini Market at Five Points asked to be annexed in. Construction began on the Sheoah Golf Course, the Condominiums, the Highlands and other areas of the City.

The political scene was not being neglected during this time. Fed up with a charter that was designed to aid the developers rather than the citizens, both new and old residents banded together in an inspiring community effort, to make some changes. A new City charter was drawn up and in a City-wide election held in March of 1972, the new charter was adopted, new city officials were elected, and most importantly, the Village of North Orlando became the City of Winter Springs.

City Manager's Message

I am pleased to present the final balanced budget for fiscal period 2008-2009 as adopted by the City Commission on September 22, 2008. The priorities which guided the adoption of the budget replicate prior-year priorities as follows:

- To maintain current service levels in the face of declining revenues
- To continue implementation of our capital improvement program
- To implement the retirement plan improvement program
- To maintain strong reserves
- To comply with established budget policies

The effects of the radical tax reduction measures adopted by the Legislature were felt this budget cycle as January 2008 saw the passing of Constitutional Amendment One (CA One) This resulted in significant revisions to the State Constitution as follows: a doubling of the Homestead Exemption from \$25,000 to \$50,000; allowance of up to \$500,000 of accumulated Save-Our-Homes exemption that could be transferred to another property (*portability*); a new exemption for the first \$25,000 of assessed value for *tangible personal property*; and a 10% cap per year on the increase of the assessed value of a non-homestead property. The result of this and other economic factors was a 9% decline in the gross taxable value of property for Winter Springs.

Additionally, these tax-cutting initiatives have, in effect, placed price controls on local government at a time when unprecedented cost increases in everything we need to sustain our services are being passed on to us. Restructuring of operations and cost-reducing measures have been incorporated into this budget wherever possible.

In addition to the adverse legislative effects on ad valorem revenue, large reductions to intergovernmental revenues are also anticipated. The Legislative Committee on Intergovernmental Relations provided 2009 projections for municipal revenue sharing and half-cent sales tax estimates which are significantly below the previous year.

In fiscal year 2008, fire services were funded from ad valorem revenues, a newly instituted fire assessment fee, and General Fund reserves. Consistent with prior Commission action, fire assessments will not be levied in fiscal year 2009 and are not included in this budget. After much research and dialogue, the City Commission voted to consolidate the City's Fire Department with Seminole County (effective October 2, 2008). Consequently, the budget represented herein reflects a fire department budget sufficient to cover one full day of normal operating expenses as well as a slight amount of one-time transitional expenses.

This adopted budget is the culmination of effort from elected officials, City staff, and participating citizens in addressing the challenge of maintaining service levels in the face of revenue declines and rising costs. The following section presents an overview of all revenues and expenditures as adopted by the City Commission in the fiscal year (FY) 2009 Budget along with brief discussion regarding the major differences with the previous fiscal year budget.

Budget Structure

The General Fund has been organized to provide for a Designated Operating Reserve which would include the 90-day, 25% operating reserve for recurring expenditures (\$4.28 million) and a Designated Special Projects Reserve (\$4.37 million) for approved non-recurring expenditures. The purpose of these two designations is to provide an accurate and undistorted presentation of the public purpose of General Fund reserves. As opposed to the characterization of fund reserves portrayed by the governor and some legislators as the unnecessary hoarding of taxpayer money, these designations will establish the public purpose of these fund reserves.

All reserves other than those required to satisfy the 90-day, 25% operating reserve would be available for Designated Special Projects. As proposed, the Commission would have the final authority and discretion to utilize these funds for non-recurring project priorities such as weather emergencies or to leverage projects with other sources of funds such as governmental grants, impact fees or bond proceeds.

Budgetary Items Eliminated from Consideration

The following budgetary items were eliminated from	n cons	sideration:
Community Events	\$	222,000
Cody Study Range Adjustments		30,000
Road Repaving	1	,200,000
Risk Management Coordinator		65,000
Planner		70,000
Police Officers (2)		212,000
Budget Analyst		70,000
Televise Commission Meetings		150,000
Workforce Housing	2	2,000,000
Total	\$4	l,019,000

Overall Budget Revenues

As shown below, based upon a millage levy of 2.4714 mills, total revenues and *transfers in* will decrease by 18.1% from the original fiscal year 2008 budget. Total revenues, exclusive of \$9,618,681 in *transfers in*, are \$35,978,849. Total revenues, *transfers in*, and appropriations from fund balances will decrease from the 2008 original budget by 14.7% as follows:

	FY 08	FY 09	
	Original	Final	
<u>Funds</u>	Budget	<u>Budget</u>	<u>Change</u>
General	\$21,982,901	\$17,532,487	(20.2%)
Other Governmental	\$21,853,542	\$17,548,105	(19.7%)
Enterprise	<u>\$11,857,832</u>	<u>\$10,516,938</u>	<u>(11.3%)</u>
Sub-Total (inclusive of transfers)	\$55,694,275	\$45,597,530	(18.1%)
Appropriation from Fund Balances	<u>\$5,007,428</u>	\$6,139,771	22.6%
Total Revenues (inclusive of transfers)	<u>\$60,701,703</u>	<u>\$51,737,301</u>	<u>(14.7%)</u>

Overall Budget Expenditures

As shown below, total expenditures and *transfers out* for the fiscal year 2008 Budget will decrease from the original fiscal year 2008 budget by 14.1%. Total expenditures, exclusive of \$9,618,681 in *transfers out*, are \$40,691,924. Total expenditures, *transfers out* and appropriations to fund balances will decrease by 14.7% as follows:

	FY 08 Original <u>Budget</u>	FY 09 Final <u>Budget</u>	<u>Change</u>
General Fund Other Governmental Funds Enterprise Funds Sub-Total (inclusive of transfers)	\$21,652,406 \$23,388,703 <u>\$13,498,969</u> \$58,540,078	\$17,460,292 \$20,016,769 <u>\$12,833,544</u> \$50,310,605	(19.4%) (14.4%) <u>(4.9%)</u> (14.1%)
Appropriation to Fund Balances	\$2,161,625	\$1,426,696	(3.4%)
Total Expenditures (inclusive of transfers)	<u>\$60,701,703</u>	<u>\$51,737,301</u>	<u>(14.7%)</u>

Overall Change in Financial Position

When compared to the fiscal year 2008 **projected** year-end fund balance/fund equity, the 2009 projected year-end fund balance in the General Fund is anticipated to increase, while aggregate fund balance/fund equity in the Other Governmental Funds and Enterprise Funds is anticipated to decrease.

	FY 08	FY 09	
	Projected	Projected	
	Year-Ending	Year-Ending	
	Fund Balance	Fund Balance	<u>Change</u>
General Fund	\$8,575,828	\$8,648,023	\$72,195
Other Governmental Funds	\$11,520,728	\$9,052,064	(\$2,468,664)
Enterprise Funds (fund equity)	<u>\$10,122,351</u>	<u>\$7,805,745</u>	<u>(\$2,316,606)</u>
Total	\$30,218,907	\$25,505,832	(\$4,713,075)

Decreases in the fund balances of the Other Governmental Funds relate primarily to large expenditures in capital improvements and do not represent issues with the financial viability of the funds. The decrease of fund equity in the Enterprise Funds is primarily due to the Water and Sewer Fund which has been experiencing flat to declining revenues due to poor housing starts. A rate study was done in fiscal year 2008 and implementation of a rate increase is being considered for the second quarter of the fiscal year.

Revenue Highlights

Total budgeted revenues exclusive of *transfers in* will decrease by \$7,266,754 as shown below:

Original FY 08	<u>FY 09</u>	<u>Change</u>
\$43,245,603	\$35,978,849	(\$7,266,754) (7.6%)

The following sets forth a summary discussion of the above-referenced net decrease.

Ad Valorem (see also pages 25-26)

The total operating millage required to balance the budget is 2.4714 mills which represents a decrease of .7782 mills from fiscal year 2008. A significant millage reduction was made certain with the decision to consolidate the Fire Department with Seminole County. Seminole County's fire MSTU (Municipal Services Taxing Unit) for fiscal year 2009 is 2.3299 mills. Please note that in the previous year the millage rate was reduced by 25% in anticipation of the fire assessment fee.

The gross taxable value of \$2,019,574,380 served as the basis for the 2009 ad valorem projections. The following data was provided by the Seminole County Property Appraiser via the DR-420.

Prior Existing Property	\$1,984,610,518	98.27%
Annexations & New Construction	<u>\$36,156,242</u>	<u> </u>
Total	\$2,019,574,380	100.00%

The break-down of total millage rates compared to last year's budget is as follows:

	<u>FY 08</u>	<u>FY 09</u>	<u>Change</u>
Non-Voted	3.2496	2.4714	(.7782)
Voted	<u>0.1022</u>	<u>0.1100</u>	<u>.0078</u>
Total	3.3518	2.5814	(.7704)

The adopted operating millage rate of 2.4714 mills is 32.31% less than the rolled-back rate of 3.6512 mills based on the preliminary taxable values reflected in the DR-420. The decrease in anticipated ad valorem revenue (operating/non-voted) from fiscal year 08 is \$2,138,071 which represents a 30.85% reduction. This decrease is due to the reduced millage as a result of the fire consolidation. This decrease would have been significantly greater had 2008 not seen a 25% millage rate reduction in anticipation of the first year partial fire assessment fee. Historically, the City's final taxable value has increased an average of 10% in the last 10 years. However, this year, the reported preliminary gross taxable value decreased by 9%. Given the taxable property values and the established operating millage rate of 2.4714 mills the budgeted ad valorem comparison follows.

Original FY 08	<u>FY 09</u>	<u>Change</u>
\$6,929,600	\$4,791,529	(\$2,138,071) (30.85%)

Fire Assessment (see also page 30)

In fiscal year 2008, it was the Commission's intent to implement a new fire assessment fee to fund a portion of the Fire Department budget based on a more equitable cost distribution. The new fire assessment fee was anticipated to generate approximately \$2,375,000 in revenue in fiscal year 2008, which would have funded approximately 50% of the total Fire Department's General Fund budget. In the end, the 2008 fire assessment fee was reduced which resulted in approximately one million dollars of the Fire Department budget being funded from General Fund reserves.

As previously mentioned the Commission curtailed the fire assessment fee and subsequently voted to consolidate the Fire Department with Seminole County. The fire assessment revenue indicated in fiscal year 2009 represents delinquent 2008 fire fee assessments.

Original FY 08	<u>FY 09</u>	<u>Change</u>
\$2,375,000	\$283,721	(\$2,091,279) (88.1%)

Charges for Service (see also page 30)

These revenues are expected to decrease \$790,533 or 23% as follows:

Original FY 08	<u>FY 09</u>	<u>Change</u>
\$12,675,879	\$11,885,346	(\$790,533) (23%)

Budgeted Charges for Service are budgeted to decrease in Medical Transport and Water and Sewer Funds by approximately \$400,000 and \$420,000, respectively. Obviously, the Medical Transport declines are attributable to the consolidation. Additionally, in the Water and Sewer Utility, 2008 connection fees were budgeted much greater than those of 2009. The 2009 budget reflects the reality of the down-turned economy especially in the area of housing starts. A rate study was initiated during fiscal year 2008. If warranted, rate implementation would likely occur during the second quarter of 2009 fiscal year. The General Fund Charges for Service will actually be increasing by approximately \$90,000. This is primarily due to newly-generated or newly-increased recreation charges; specifically, the new Senior Center Therapy Pool and the Splash Playgrounds.

State Revenues (see also page 29)

Ninety nine percent (98.7%) of the projected State revenues for fiscal year 2009 are comprised of Municipal Revenue Sharing and Local Government Half-cent Sales Tax which have been provided by the Legislative Committee on Intergovernmental Relations (LCIR). Total recurring revenues from the State (exclusive of grants) are expected to decrease \$462,517 or 12.3% as follows:

Original FY 08	<u>FY 09</u>	<u>Change</u>
\$3,754,162	\$3,291,645	(\$462,517) (12.3%)

Other Inter-Governmental (see also page 29)

Other intergovernmental revenues are decreasing by \$558,946. An approximate \$900,000 decrease lies with the timing of the one-cent sales tax as provided by the Local Government Infrastructure Surtax. The 2008 budgeted reimbursement of eligible expenditures was \$4.1 million versus \$3.2 million in 2009. Additionally, in 2008 a grant was budgeted in the amount of \$135,743 for hazard mitigation related to the Fire Stations and Senior Center. Conversely, there is a \$360,000 interlocal agreement with Seminole County for sidewalk construction that has been programmed into the 2009 budget.

Original FY 08	<u>FY 09</u>	<u>Change</u>
\$5,254,016	\$4,695,070	(\$558,946) (10.6%)

Utility Taxes and Franchise Fees (see also pages 27-28)

These revenues are expected to increase slightly by \$33,786 or .6% as follows:

Original FY 08	<u>FY 09</u>	<u>Change</u>
\$5,959,714	\$5,993,500	\$33,786 .6%

Impact Fees

These revenues have been budgeted to decrease by \$549,800 or 30.4% as follows:

Original FY 08	<u>FY 09</u>	Change
\$1,806,700	\$1 <u>,256,9</u> 00	(\$549,800) (30.4%)

Due to the current economic environment, projections for this revenue stream are difficult to ascertain. As a result of slow construction starts in 2007, it had been anticipated that 2008 would see a resurgence in construction including 300 new residential units. This did not materialize. In light of present unpredictability, only one impact fee fund (Parks) has an expenditure budget greater than its beginning fund balance. The Park Impact Fee Fund has budgeted expenditures of \$50,000 and a budgeted beginning fund balance of \$14,152. Design costs for the potential Central Winds Expansion project will require reevaluation if the 2009 impact fees are insufficient to initial costs of design and feasibility. An impact fee study is underway and will be brought to the Commission for consideration in fiscal year 2009.

Licenses and Permits

These revenues are expected to decrease by \$487,100 or 26.9% as follows:

Original FY 08	<u>FY 09</u>	Change	<u>e</u>
\$1,806,700	\$1,319,600	(\$487,100) ((26.9%)

As mentioned above, 2008 construction expectations went unrealized which resulted in the previous year's original budget being over-stated. The more conservative 2009 license and

permit fees in the Development Services fund are approximately \$450,000 below the previous year.

Other Sources

Funds from other sources (interest, miscellaneous, fines and forfeitures) are budgeted to have a 5.8% decrease. The interest rate assumption was decreased from 4% to 1.5% resulting in an approximate \$375,000 revenue decline. As an offset to that decline, Fines and Forfeitures are showing a \$312,250 increase due to the decision to implement a new intersection safety program. Although our estimates are below those provided by the vendor and the experience of other cities the actual amount of revenue will not be known until the system is operational for several months. The \$750,000 in loan proceeds secured for the Senior Center expansion fund during 2008 was not included in the original budget. Therefore, it does not account for any of the change indicated below.

<u>Original FY 08</u>	<u>FY 09</u>	<u>Change</u>
\$2,386,596	\$2,248,271	(\$138,325) (5.8%)

Expenditure Highlights

All departments were asked to trim budgets as much as possible while maintaining current service levels. The following General Fund chart shows the change by Department from the 2008 Original Budget.

	Over/(Under) FY 2008		
General Fund Departments	<u>Original Budget</u>		
Executive	\$36,078	5.0%	
General Government	\$181,495	33.7%	
Finance (absorbed Fire employee*)	\$48,317	4.2%	
General Services	(\$200,904)	(16.4%)	
Information Services	\$30,639	2.8%	
Public Works	\$7,856	.6%	
Community Development	\$58,062	3.3%	
Police*	\$497,817	7.5%	
Fire	(\$4,704,483)	(99.7%)	
Parks and Recreation	(\$146,991)	(5.8%)	
*Of the O educiriate the monities from the Fire Dependences 4 monities			

*Of the 2 administrative positions from the Fire Department, 1 position was transferred to Utility Billing as a Data Entry Clerk and the other employee will fill an existing vacancy in the Police Department.

A city-wide look at total budgeted expenditures exclusive of *transfers out* reveals a decrease of \$5,399,482 as shown below:

Original FY 08	<u>FY 09</u>	Change	<u>e</u>
\$46,091,406	\$40,691,924	(\$5,399,482)	(11.7%)

The following sets forth a summary discussion of the above-referenced decrease.

Personnel (see pages 31-32)

Personnel costs include salaries, FICA, health and life insurance, worker's compensation, and pension. In fiscal year 2009, \$14,789,695 is budgeted for personnel costs (inclusive of \$255,000 in General Government – see note on page 106) and represents a 20% decrease from the Original 2008 budget. Since the Fire Department was included in the 2008 Budget and virtually removed from the 2009 Budget, the chart below also shows the 2008 and 2009 personnel budgets <u>exclusive</u> of the Fire Department. For a more relevant comparison, the percentage change is based on this revised perspective.

	FY 08 Original <u>Budget</u>	FY 08 Budget <u>Iess Fire</u>	FY 09 Budget <i>less Fire</i>	<u>Change</u>
General	\$14,926,998	\$11,014,735	\$11,716,168	6.4%
Other Governmental	\$86,864	\$0	\$0	0%
Enterprise	\$3,479,060	<u>\$3,479,060</u>	\$3,314,643	<u>(4.7%)</u>
Total	\$18,492,922	\$14,493,795	\$15,030,811	3.7%

New Request – Salaries

The FY 2009 Budget has provided up to 3% for regular merit increases. Although adjustments were not made for the compensation study, at the final public hearing (9/22/08) the Commission voted to extend a 3% across-the-board increase to take effect October 2, 2008.

Elimination of the Fire Department reduced the General Fund personnel count by 51 and the Medical Transport count by 1. This included 51 firefighters and 1 administrative position. Although there were 2 administrative positions, 1 position was transferred to Utility Billing as a Data Entry Clerk and the other employee will fill an existing vacancy in the Police Department.

Parks and Recreation outsourced the maintenance of neighborhood parks which will eventually result in a decrease of 4 FTEs. This year that will only be a 3.5 FTE decrease since one employee who will be retiring at mid-year will not be replaced due to the decision to outsource this service. The advent of the second splash playground will result in a 1.33 FTE increase for monitoring while the Sports Monitor position has been eliminated. Considering payroll, operating and capital budgets, the decision to outsource is estimated to save approximately \$90,000 from the 2009 budget.

Development Services has drastically streamlined its personnel budget. Two Plans Examiner positions have been eliminated, both of which have been vacant for some time. Two Permit Specialist positions have been eliminated, one of which was a vacancy created by an employee retirement. Lastly, the Zoning and Permit Coordinator position has been eliminated. It was the decision of the Department Director to 'tighten the team' especially until such time as the construction industry rebounds.

<u>Fund</u>	<u>Department</u>	2009 FTE <u>Change *</u>
General Fund:		
Firefighter	Fire	(50)
Administrative	Fire	(2)
Data Entry Clerk	Finance	1
Maintenance Worker	Recreation	(3.5)
Splash Playground Monitor	Recreation	1.33
Sports Monitor	Recreation	(.37)
Medical Transport:		. ,
Firefighter	Fire	(1)
Development Services:		
Plans Examiner	Dev Svc	(2)
Permit Specialist	Dev Svc	(2)
Zoning & Permit Coordinator	Dev Svc	(1)
	10 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	1 1 <i>c</i> ` ´

* The 2009 FTE change is off by .02 due to rounding issues with this calculation

Unfortunately, revenue constraints did not make it possible to fund the additional Planner position requested by Community Development. A number of positions were eliminated from consideration, but the following positions (in terms of FTEs) have been funded for fiscal year 2009:

Full Time	233.5 (1 FTE employed for half-year)
Part Time	16.32

New Request – Pension

State statutes require the City to maintain the financial integrity of its pension plan. Although the City has maintained one of the most fiscally sound pension plans in the State, unusually large reductions in investment earnings have reduced the asset value of the pension plan below normal previous projections. The budget provides for an increase of 1.5% of payroll to cover significant market losses experienced in the pension fund during fiscal year 2008. Studies underway will provide more definitive information regarding strategies that may or may not be needed to address this down-cycle in earnings. Based upon the funding schedule approved by the Commission, the following sets forth the 2009 allocation as compared to previous years:

	<u>City</u>	<u>Employee</u>	<u>Total</u>
FY 05	9.5%	3.0%	12.5%
FY 06	11.0%	3.0%	14.0%
FY 07 (implemented 30-year-	13.0%	3.0%	16.0%
with-disability retirement benefit)			
FY 08	13.5%	3.0%	16.5%
FY 09	15.0%	3.0%	18.0%

In 2004, the Commission voted to incrementally increase the City's pension percentage in order to fund an increase in the retirement benefit multiplier from 2.5% to 3% for those employed prior to the effective date of the 3% multiplier. Fiscal years 2006 through 2009 reflect that previously determined funding schedule.

Health Insurance

Aetna remained as the health insurance provider for fiscal year 2009. Health insurance premiums increased by approximately 15%. The City continues to subsidize approximately 28% of dependent coverage. Employees who opt out of the health plan receive \$1,200 annually in consideration of the realized savings to the City.

Operating

In fiscal year 2009, budgeted operating costs exclusive of *transfers out* is \$14,811,764 (exclusive of \$255,000 in General Government – see note on page 106) and represents an overall 6.8% decrease in operating expenses when compared to the fiscal year 2008 Original budget. Since the Fire Department was included in the 2008 Budget and virtually removed from the 2009 Budget, the chart below also shows the 2008 and 2009 operating budgets <u>exclusive</u> of the Fire Department. For a more relevant comparison, the percentage change is based on this revised perspective. Even removing the Fire Department budgets from the equation, the operating costs *in total* decreased in every category of funds.

	FY 08 Original <u>Budget</u>	FY 08 Budget <u>Iess Fire</u>	FY 09 Budget <u>Iess Fire</u>	<u>Change</u>
General	\$5,759,141	\$5,347,611	\$5,291,949	(1.0%)
Other Government	\$5,536,145	\$5,402,632	\$4,738,484	(12.3%)
Enterprise	<u>\$4,875,439</u>	<u>\$4,875,439</u>	<u>\$4,776,331</u>	(2.0%)
Total	\$16,170,725	\$15,625,682	\$14,806,764	(5.2%)

Some of the larger *increases* in this category of budgeted expenditures between fiscal year 2008 and 2009 result from the following:

<u>General Fund</u> – contract services for outsourcing of neighborhood parks; utility services including streetlighting; fuel; legal costs in general; lot clearing; painting/sealing Police headquarters. Additionally, more detail related to *new* expenditure requests as well as comparison to last year's budget can be found on pages 41-46 and 172-181.

<u>Other Governmental Funds</u> – increased principal payment (Fund #206); Police education (Funds #103,108). Note - the City's solid waste hauler has petitioned for a rate adjustment due to significant increases in fuel costs experienced during fiscal year 2008. Additionally, more detail related to *new* expenditure requests can be found on page 47.

<u>Enterprise Funds</u> – utility services, sludge disposal, fuel, chlorine (W&S); contract services with Seminole County for plans review (Development Services). Additionally, more detail related to *new* expenditure requests can be found on page 48.

Some of the larger <u>decreases</u> in this category of budgeted expenditures between fiscal year 2008 and 2009 result from the following:

<u>General Fund</u> – elimination of code enforcement court; greater risk management costs in 2008; reduced CRA (Community Redevelopment Area) cost as a result of our significant millage reduction. Additionally, more comparative detail can be found on pages 172-181.

<u>Other Governmental Funds</u> – no budgeted payments to Federal, State, and/or contractor for previous hurricane assistance (Fund #109) as in 2008; no budgeted grant expenditures in Arbor fund as in 2008.

Enterprise Funds – technical contract services (Development Services).

Interim Debt (see pages 33-36)

Current Line of Credit Loans - The fiscal year 2009 budget includes budgeted debt service payments of \$80,000 on the \$750,000 draw on the line of credit for the Senior Center Expansion. Until such time as Park Impact fees are sufficient, the General Fund will be funding the debt service payments. This debt was approved by the Commission in fiscal year 2007; however, the actual draw did not occur until late in fiscal year 2008.

City Hall Expansion - No funds are appropriated in the fiscal year 2009 Preliminary Budget for this project. However, the Commission could chose to utilize the newly-created Designated Special Projects Fund Balance Reserve to leverage other revenue sources for this purpose. Public Facilities Impact Fees are not expected to grow sufficiently over the next five years to fund the project. Additionally, due to the unprecedented increase in cost they may never be sufficient to pay off the project in full. The latest estimate for this project is approximately two million dollars.

Capital (see pages 37-40)

Capital outlay includes land and improvements to land, building, machinery, and equipment in excess of \$1,000. The 2009 budget includes capital expenditures (exclusive of the capital lease) that are 1.8% less than last year's original budget. The Designated Special Project Reserves of \$4,366,191 exist for any capital projects that would receive Commission approval during fiscal year 2009. Most of this capital budget occurs in the Road Improvement Fund, the 1999 Construction Fund, the Utility/PW Facility Capital Project Fund and the Water and Sewer Fund. Since the Fire Department was included in the 2008 Budget, the chart below shows the 2008 capital budgets <u>exclusive</u> of the Fire Department. None of the fiscal year 2009 capital budget relates to the Fire Department. For a more relevant comparison, the percentage change is based on this revised perspective.

	FY 08	FY 08		
	Original	Budget	FY 09	
	Budget	less Fire	<u>Budget</u>	<u>Change</u>
General	\$735,055	\$340,835	\$211,450	(37.9%)
Other Government	\$8,438,483	\$8,438,483	\$8,301,447	(1.6%)
Enterprise	<u>\$2,132,707</u>	<u>\$2,132,707</u>	<u>\$2,201,054</u>	3.2%
Total	\$11,306,245	\$10,912,025	\$10,713,951	(1.8%)

Budgeted capital outlays (exclusive of capital lease) for fiscal year 2009 have been summarized below. A detailed list can be found on pages 38-40. It should be noted that these capital projects will not adversely affect the City's current or future operating budgets nor the line of services funded in current and future operating budgets. As mentioned previously, in excess of four million dollars has been established in the General Fund budget for capital projects as yet undesignated.

		Other	
	<u>General</u>	<u>Gov'tal</u>	<u>Enterprise</u>

General Fund Fiscal Policy Test

Each year the General Fund is tested to determine if the fund is in compliance with three fiscal policies as follows:

- That sufficient recurring revenues exist to pay for all recurring costs, thus avoiding the use of non-recurring revenues and fund balances to fund recurring costs.
- That sufficient recurring and non-recurring revenues are available to fund non-recurring costs.
- That the 25% fund balance policy is being maintained (fund balance equal to or exceeding 25% of personnel and operating costs).

As shown on page 90, all three policies are being satisfied for fiscal year 2009.

With the cooperative efforts of our residents, business leaders, employees and Commissioners we have made steady progress in the last few years. This budget is consistent with the policies and service levels set by current and previous City Commissions. We are confident that this budget provides both financial stability and the efficient delivery of value-added services.

Respectfully Submitted,

Ronald W. Mc Geman

Ronald W. McLemore, City Manager

2008-2009 Budget

The fire assessment fee which was first assessed in fiscal year 2007-2008 in tandem with a 24% millage rate reduction did not gain approval in successive fiscal years. Subsequent to this decision, the City's fire department was consolidated with Seminole County. This budget is based on an operating millage rate of 2.4714 mills which represents a 0.7782 operating millage reduction from 2007-2008.

The General Fund's budgeted ending fund balance provides a 90-day operating reserve and approximately 4.4 million dollars for non-recurring capital projects and economic development partnership opportunities.

Causes and Consequences of Changes in Fund Balance in Excess of 10%

Major:

Per the most recently audited 2007 Comprehensive Annual Financial Report (CAFR) the major governmental funds are the General Fund, the Public and Communications Service Tax Fund, the Road Improvements Fund and the TLBD Debt Service Fund (Phase I). The only one which is budgeted to experience a change in fund balance greater than 10% is the Road Improvements Fund which is budgeted to appropriate \$735,065. This fund accounts for collected one-cent sales tax revenues for transportation-related improvements. This budgeted appropriation does not present negative consequence to the fund as additional reimbursement revenues from the Discretionary Sales Surtax Clearing Trust Fund are anticipated in fiscal year 2009 to recoup the 2008 expenditures. Additionally, at the beginning of fiscal year 2009, the trust fund balance exceeded the 2009 budgeted reimbursement revenue.

Non-major Funds in the Aggregate:

The non-major funds in the aggregate are anticipated to decline by 17%. The chief reason for the decline points to capital projects. Specifically, the 1999 Construction Fund (#305) a budgeted appropriation from fund balance of \$995,550 and the Utility/Public Works Facility Capital Project Fund (#311) a budgeted appropriation from fund balance of \$1,538,218 as a result of the capital projects set forth on pages 63-65. Given that these funds are capital project funds, their appropriations cause no adverse affect to the funds as they were established for such purposes.

Enterprise:

The Water and Sewer Utility is budgeted to have a 22% decrease in fund equity (net assets less net capital). This is largely due to a total capital budget in the operating fund of \$1,257,200. Two of the utility's funds, namely Revenue Generation (#3620) and 2000 Utility Construction (#3640) are temporary in nature and anticipated to be phased out in the short-run. The capital expenditures in those two divisions are budgeted at \$46,166 and \$398,038, respectively. Flat revenues, some decreasing revenues (connection fees) and increasing costs have been observed in this utility fund. A rate study was initiated in fiscal year 2008 and implementation of a rate increase is being considered for the second quarter of fiscal year 2009.

Development Services' fund equity (net assets less net capital) is budgeted to have an approximate 16% decrease. A rate study was performed in fiscal year 2003 with the inception of this fund. The rates in this fund were last adjusted in August 2005 with the adoption of Resolution 2005-29. Fund decline is anticipated as the City approaches build out and pursues technological strides. Winter Springs, along with the rest of the State, has seen a significant decline in construction starts which accounts for the sluggish revenues in recent years. Fund expenditures are responsive to the revenue stream. It should be noted that even with the fund equity decline the ending equity exceeds the target of maintaining 90 days of operating expenditures.

The Stormwater Fund is budgeted to have an approximate 39% decrease in fund equity (net assets less net capital). This is largely due to a non-recurring transfer of \$100,000 to fund #311 for construction costs as well as capital expenditures of \$242,750. It should be noted that even with the fund equity decline the ending equity exceeds the target of maintaining 90 days of operating expenditures. June 2005 saw the last rate increase.

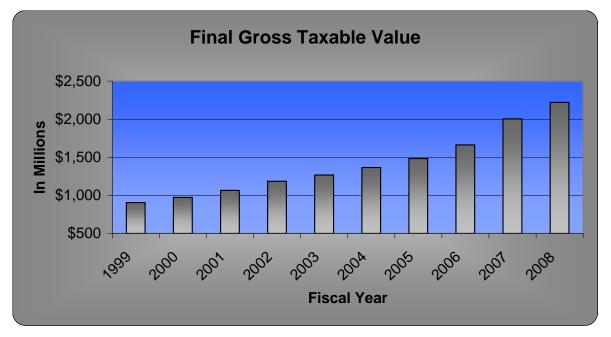

Ad Valorem Taxes

Ad valorem taxes represent the largest single revenue source to the City. For fiscal year 2009 the ad valorem revenue budget accounts for 26% of the total budgeted revenue for the General Fund. The amount of ad valorem revenue generated is a function of the gross final taxable value as established by the Seminole County Property Appraiser and the millage rate (per thousand dollars of property valuation) established by the City Commission. The following graph shows the final gross taxable value (DR-422) for the last ten fiscal years. Please note that the valuation identified for fiscal year 2009 is not the final valuation but rather the preliminary valuation as submitted by the Property Appraiser on the DR-420.

		Final Gross Taxable Value	Percentage Incr
Fiscal Year	Tax Year	from DR-422	(Decr)
1999	1998	\$906,032,833	6.1%
2000	1999	\$972,980,638	7.4%
2001	2000	\$1,065,390,346	9.5%
2002	2001	\$1,184,740,270	11.2%
2003	2002	\$1,266,969,110	6.9%
2004	2003	\$1,365,985,321	7.8%
2005	2004	\$1,483,116,250	8.6%
2006	2005	\$1,661,073,712	12.0%
2007	2006	\$2,003,805,968	20.6%

From Property Appraiser DR-420:

Ad Valorem Taxes (cont'd)

Florida Statute 200.065 - Truth in Millage Bill (TRIM):

This statute went into effect with fiscal year 1982. This law will only allow a taxing authority to receive the same dollar amount of property tax in each subsequent year without advertising a tax increase. If property values increase, exclusive of new construction, the taxing authority is required to reduce, or roll back, the millage rate in order to receive the same tax dollars as the previous year. Any millage in excess of the rolled-back millage is considered a tax increase and must be publicly advertised. Additionally, any tax increase must be publicly announced at two public hearings prior to the budget adoption.

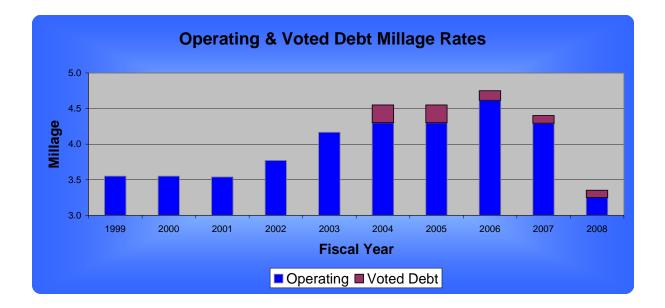

House Bill 1B was passed by the Legislature on June 14, 2007 and signed into law on June 21, 2007. A key provision of this legislation provides for maximum millage rates defined as the maximum millage that may be levied with a simple majority vote. House Bill 1B allows for millage rates higher than the maximum millage rate by meeting other voting requirements. A two-third's vote will allow an operating millage rate up to the rolled-back rate and a unanimous vote will allow an operating millage rate. *Florida Statutes 200.185 and 200.186*

Amendment One which was passed in January 2008 resulted in the following revisions to the State Constitution:

- Doubling of the Homestead Exemption from \$25,000 to \$50,000
- Allowance of up to \$500,000 of accumulated Save-Our-Homes exemption can be transferred (*portability*) from an existing homestead property to a newly purchased one
- Creation of a new exemption for the first \$25,000 of assessed value for tangible personal property
- 10% cap per year on the increase of the assessed value of a non-homestead property

The following chart shows the millage history, both operating and voted debt, for the City of Winter Springs for the last ten fiscal years.

				Millage Rate	
	Fiscal Year	Tax Year	Operating	Voted Debt	Total Millage
	1999	1998	3.5495		3.5495
	2000	1999	3.5495		3.5495

General Fund Transfers In

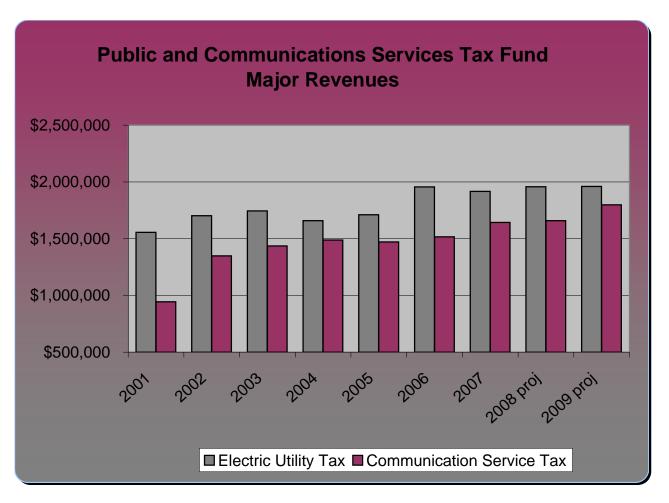

The General Fund receives a number of transfers from other funds which are both recurring and non-recurring in nature. The primary examples of *non-recurring* transfers relate to short-lived special projects such as records imaging and Kiva initiatives as well as transfers associated with grant activity.

Many of the *recurring* transfers are the result of centralized costs being allocated to the funds to which those costs relate. Examples include Utility Billing (Division #1360), City Hall Operator (Division #1915), and recurring Kiva initiatives (Division #1343) to name a few. Two transfers coming from the Public and Communication Service Tax Fund and the Electric Franchise Fee Fund are expected to comprise a significant percentage of the General Fund revenues, approximately 21% and 7%, respectively. These funds have dedicated revenue streams which have been obligated to pay the annual debt service for the 2003 Debt Service Fund (#206) and the 1999 Debt Service Fund (#215). After the debt service has been satisfied remaining fund balances are transferred to the General Fund.

Public and Communications Services Tax Fund

[Utility taxes – Sections 1-2, Art. VIII State Constitution, Municipal Ordinances 751, 2001-42, 2005-13; Communication Services Tax - Sections 202.19(1), Florida Statutes]

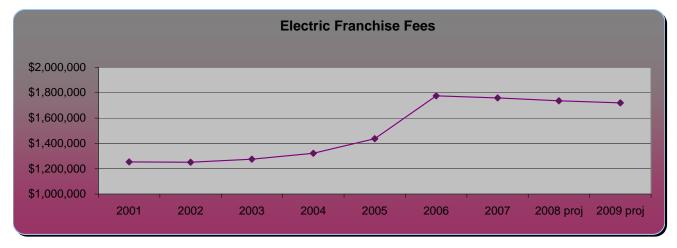

This fund collects utility taxes on electric, water, gas and communication service. The electric utility and communication service taxes make up approximately 91% of the PCST fund revenues. The Florida Legislative Committee on Intergovernmental Relations (LCIR) provides projections for the communications services tax which was utilized in the upcoming fiscal year budget. The other fund revenues were projected using a weighted-average trend analysis. The following chart reflects seven years of historical data for the major revenue sources as well as estimates for fiscal years 2008 and 2009.

Electric Franchise Fee Fund

[Home Rule Authority - Sections 1-2, Art. VIII, State Constitution]

There is only one revenue stream for this fund – electric franchise fees from Progress Energy. The following chart reflects historical data for this revenue source. The current and upcoming fiscal year projections are based on a weighted-average trend analysis.

Other Funds Receiving Significant Transfers

The following list represents other funds expected to receive significant transfers during the upcoming fiscal year along with the anticipated amount and reason for transfer:

Fund	Amount	Reason for Transfer
Storm Reserve Fund (#114)	\$138,000	From Solid Waste / Recycling special revenue fund for future emergency storm clean-up; \$1 per month/account
2003 Debt Service Fund (#206)	\$858,000	From PCST and EFFF Funds (50/50) for debt service requirements related to the series 2003 Improvement Refunding Revenue Bonds
1999 Debt Service Fund (#215)	\$146,000	From PCST and EFFF Funds (50/50) for debt service requirements related to the series 1999 Improvement Refunding Revenue Bonds
2004 Capital Project DS Fund (#230)	\$60,000	From General Fund for debt service requirements related to the line of credit draw (\$750,000) for the Senior Center Therapy Pool Expansion
Utility/Public Works Facility C.P. Fund (#311)	\$200,000	From Stormwater (\$100,000) and Transportation Improvement (\$100,000) Funds for construction costs related to the Utility/PW Facility
W&S - Renewal & Replacement Fund (#401-3610)	\$200,000	From W&S - Operating (401-3600) for the cost of extensions, enlargements, additions to, or replacement of capital assets of the system and emergency repairs. Per the bond covenants this fund balance must be at least 5% of preceeding year's gross revenues.
Stormwater Fund (#430)	\$60,085	From W&S and General Fund for their portions of Stormwater- Engineering costs (#3810), 20% and 10%, respectively.

Major Inter-Governmental Revenues

State-Shared Revenues

There are a number of taxes imposed by the State and shared with counties, municipalities and school districts. Based on eligibility requirements the state allocates a portion of state-collected taxes to specified local governments. Two of the state-shared revenues which provide a significant percentage of total fund revenues for the General Fund are Municipal Revenue Sharing and Local Government Half-Cent Sales Tax.

Municipal Revenue Sharing Program

[Sections 206.605(1), 206.879(1), 212.20(6), and 218.20-.26, Florida Statutes]

In order to ensure a certain level of parity across local government units the Florida Revenue Sharing Act of 1972 was enacted. Typically, legislation is passed each year that could potentially impact the amount of sales tax revenues available for distribution to municipal governments. Florida's Legislative Committee on Intergovernmental Relations (LCIR) provides projections which are the basis for the budget. During fiscal year 2009 it is expected that this revenue will contribute approximately 6% of total General Fund revenues.

Local Government Half-Cent Sales Tax Program

[Sections 212.20(6) and 218.60-.66, Florida Statutes]

This program which was authorized in 1982 is the largest revenue generator among the state-shared revenue sources. The program's primary purpose is to provide funding for local programs while offering relief from ad valorem and utility taxes. Distribution is based on allocation formulas; projections for the upcoming fiscal year come from LCIR. During fiscal year 2009 it is expected that this revenue will contribute approximately 13% of total General Fund revenues.

Local Discretionary Sales Surtax

[Sections 212.054-.055, Florida Statutes]

There are seven types of local discretionary sales surtaxes currently authorized for county and municipal government revenue sources. This surtax is also referred to as local option sales taxes. The Road Improvements Fund (#115) receives the Local Government Infrastructure Surtax - Section 212.055(2), Florida Statutes. This 1% surtax became effective in Seminole County on January 1, 2002 and will expire on December 31, 2011. Based on the anticipated completion of eligible projects during fiscal year 2009 it is expected that this revenue stream will contribute approximately 86% of this fund's revenues.

Charges for Services

[Utility Fees – Home Rule Authority Sections 1-2, Art. VIII, State Constitution]

The Water and Sewer Utility Fund and the Stormwater Funds are enterprise funds whose primary revenue streams consist of Charges for Service with a customer base of approximately 12,800. The Solid Waste fund is a special revenue fund established to account for fees for solid waste and recycling services performed by contract vendors for the benefit of approximately 11,300 customers. The City has retained a consultant to review the adequacy of all utility rates, fees and charges for the operation, maintenance, replacement and debt service of the water and wastewater systems. Any implementation of rate changes would occur in the second quarter of fiscal year 2009; however, rate increases have not been budgeted. The following chart indicates the current charges for these services:

			Irrigation	
Water	(3/4" meter)	Reclaimed	Meters	Sewer ¹
Base facility charge	\$4.39	\$3.55	n/a	\$8.09
Base facility charge -				
non-metered	n/a	\$8.55	n/a	n/a
Consumption rates per	gallon:			
0 - 5,000	\$1.11	\$0.25	\$1.53	\$3.16
5,000 - 10,000	\$1.11	\$0.25	\$1.82	\$3.16
10,001 to 15,000	\$1.53	\$0.25	\$2.13	n/a
15,001 - 20,000	\$1.82	\$0.25	\$2.44	n/a
20,001 - 25,000	\$2.13	\$0.50	\$3.04	n/a
25,001 - 30,000	\$2.44	\$0.50	\$3.04	n/a
30,001 and over	\$3.04	\$0.50	\$3.04	n/a

1- Sewer is only charged on the first 10,000 gallons

Stormwater - \$5.50/month per Equivalent Residential Unit (ERU)

Solid Waste (garbage and recycling) - \$18.10/month Additional cart rate - \$10.55/month

Fire Assessment Fee

[Home Rule Authority, Sections 1-2, Art. VIII, State Constitution, Chapter 170, F.S. (2007)]

During fiscal year 2007-2008, the City Commission unanimously voted to institute a Fire Assessment Fee. The fire assessment fee, in concert with a 25% reduction in operating millage, made it possible to satisfy the intent of the new statutory legislation to reduce property taxes while carrying out the wishes of the residents to maintain city service levels. It was the intent of the Commission to reduce the ad valorem levy by an amount approximately equivalent to the estimated revenue generated from the new fire assessment fee. In the final analysis, the Commission further reduced the 2008 fire assessment fee resulting in approximately \$1.3 million less revenue than originally anticipated in the original 2008 budget. After much deliberation and citizen input, the Commission discontinued the fire assessment program. On June 23, 2008, consolidation of the City of Winter Springs' Fire Department with Seminole County (2.3299 MSTU) was also approved and will become effective on October 2, 2008.

Debt Management

As set forth in the City's Comprehensive Improvement Element (CIE), the City shall manage debt issuance and obligations according to sound public fiscal management principles so that the City is able to provide needed capital improvements and maintain services at adopted levels of service (LOS).

Criteria for Managing Debt Financing:

The City does not have legal debt limits or utilize specific debt ratios such as the limitation on the use of revenue bonds as a percent of total debt; the maximum ratio of total debt service to total revenue; and the maximum ratio of outstanding capital indebtedness to property tax base. Instead each debt issuance is evaluated on an individual basis giving consideration to the following factors:

- > type of facility being financed
- > significance of the annual debt service requirement
- favorable impact to the City
- economic capacity of the City
- > overlapping debt which depends on the same economic base
- > projected City growth rate.

Criteria in Selecting Revenues to Finance Public Facilities:

To the extent possible, the following revenues are to be utilized to finance public facilities. (listed in order of priority and preference):

- > Grants or other intergovernmental sources
- > Developer contributions (inclusive of dedicated land and impact fees)
- > User revenues (inclusive of charges for services, local option gas tax, etc.)
- Sales tax (local option infrastructure surtax)
- Debt Financing
- Ad valorem property taxes

Since some sources are not appropriate or legally available for a particular purpose, the above list is advisory in nature and not to be construed as an obligation.

The City has entered into capital lease agreements for the acquisition of police vehicles. The following pages summarize the debt service requirements exclusive of the capital lease. Please see the footnotes for specific information relative to each debt instrument.

Annual Debt Service Requirements to Maturity

¹ The TLBD Debt Service Fund underwent a reforecast by Government Services Group which slightly increased the annual assessment in fiscal year 2008 for the purpose of meeting this bond obligation. The new legal maximum for the annual capital assessment has been established at \$43.00 per ERU through fiscal year 2012.

² The Public Communication Services Tax and Electric Franchise Fee Funds have been established to pay debt service expenses related to the Improvement Refunding Revenue Bonds, Series 1999 and 2003. The maturity dates for Series 2003 are from 10/1/04 to 10/1/18, for Series 1999 the maturity dates are from 10/1/99 to 10/1/29. Anticipated revenues from these funds are expected to be more than sufficient for the debt service requirements.

³ The Limited General Obligation Bonds are payable from and secured by a pledge of the faith, credit and taxing power of the City up to one quarter mil. The preliminary property tax valuation from the Seminole County Property Appraiser represents an approximate 9% decrease from the prior year. As a result, the voted debt millage rate will require a slight increase from 0.1022 mills to 0.1100 mills in order to provide sufficient coverage for the 2008-2009 debt service requirements.

Annual Debt Service Requirements to Maturity

1 All the Water and Sewer bonds are revenue bonds. As such the City has pledged the revenue derived from the acquired or constructed assets to pay the debt service. A look at the total annual bond requirements for this utility reflects a level annual requirement. In July 2008, a rate study was initiated. Any warranted rate changes would be implemented in fiscal year 2009. This fund does not have issues with cash flow and continues to have fund equity in excess of the target fund equity of 25% of operating expenses.

Annual Debt Service Requirements to Maturity

¹ This note series was issued in 2004 to refinance series 2000B and to finance additional landscaping and irrigation along the Oak Forest subdivision wall. The City covenants to designate payments received from Oak Forest special assessments to pay the debt service on this note. This note is payable interest only at 4.22% until July 1, 2010 when the entire balance is due. The Oak Forest Debt Service Fund recently underwent a reforecast by Government Services Group which slightly increased the annual assessment for the purpose of meeting this obligation and its successor. The new legal maximum for the annual capital assessment has been established at \$72.00 per ERU through fiscal year 2012. In 2008-2009 additional principal reduction is anticipated in the amount of \$20,000.

² The City issued this Special Revenue Note to provide financing for the Tuscawilla Lighting and Beautification Project, Phase II. Prepayments in 2006 were utilized to retire principal of \$93,400. Additional principal of \$6,700 and \$10,700 was retired in fiscal years' 2007 and 2008, respectively. The new legal maximum for the annual capital assessment has been established at \$17.00 per ERU through fiscal year 2012.

³ The City had a \$2,500,000 line of credit with SunTrust which is now closed. The variable interest rate is tied to the LIBOR. Principal payments commence on June 1st. The only outstanding draw was \$750,000 for the Senior Center Therapy Pool which occurred in fiscal year 2008. The approximate \$80,000 annual debt service budget is to come via transfer from the General Fund until such time as the Parks Impact Fee Fund has sufficient revenue to pay off the principal in whole or in part. The schedule above reflects a 15-year amortization and semi-annual payments at 5%.

Capital

The City's Capital Improvements Element (CIE) exists to maintain a financially feasible plan for providing the infrastructure required to meet the adopted levels of service for existing and future populations. The CIE must be submitted annually to the Florida Department of Community Affairs. The City updates and revises the projected needs and costs as part of the annual budget process. Each subsequent update incorporates refinements to programs and funding strategies which serve as a basis for program implementation. The implementation of the CIE linked to the financially feasible City budget and five-year Capital Improvements Program (CIP) offers more accurate longrange planning. The CIE sets out a five-year capital expenditure program designed to implement the Plan's goals, objectives, and policies and to ensure that adopted levels of service standards are met and maintained. The dollar threshold for this asset schedule is \$50,000. The current five-year CIP list by Department is included in the Appendix of this document. The CIE schedule only includes capital that serves to maintain levels of service; therefore, it is by definition a subset of the all capital projects in the Capital Improvements Program. In the development of the Capital Improvements Program, the City reviews the operational impact of each project.

The following pages summarize the 2008-2009 capital budgets (\$1,000 threshold) for all funds. As mentioned above, only those items that meet the \$50,000 threshold have been included in the CIP schedule. The capital lease is not included in the CIP because *individually* the vehicles do not meet the threshold requirement. Following the asset description is a column which indicates by an X whether the asset is considered significant and/or non-routine.

If applicable, the second column records the anticipated impact on the annual operating budget for that particular capital asset. For the 2008-2009 fiscal year there are only two such capital projects: the Utility/Public Works Facility and the Trotwood Splash Playground. The outlay relative to the Central Winds Expansion will not have an operating impact this fiscal year as it is only at the design phase. It should be noted that although Magnolia Park will eventually have a slight affect on the operating budget in the areas of utilities and maintenance this will not be the case in 2009 due to the expected late fiscal year-end completion date. Lastly, regarding the savings to be realized from the hybrid vehicle none is expected this fiscal year due to a 9-month lag time; the expected annual fuel savings will be largely offset by the vehicle premium.

STRATEGIC PLANNING

The policy direction for the City is provided within the City's Strategic Planning Model. This Model includes the following elements, which are reviewed and updated annually through the City's Annual Operating Budgets as follows:

- <u>City-Wide Vision Statement:</u> The City-Wide Vision Statement describes the outcome of the accomplishments of the City's Comprehensive Plan.
- Benchmarks of Success: Benchmarks of Success describe the goals and priorities necessary to accomplish the city-wide vision statement.
- <u>Department Mission Statements</u>: Departmental Mission Statements are formulated by department heads to accomplish benchmarks of success.
- <u>Department Objectives:</u> Department Objectives are formulated to specify one-year performance objectives necessary to accomplish department mission statements.
- <u>Capital Improvement Plan:</u> The Capital Improvement Plan contains the capital improvements required to accomplish the City's vision statement. Capital improvements are defined in the Capital Improvement Element as capital outlays of \$50,000 or more in value. The Capital Improvement Plan encompasses capital improvements needed to satisfy the City's statemandated comprehensive plan, which are tied to state-mandated levels of service standards, as well as other needed capital improvements. The Capital Improvement Plan is updated annually through requests of department heads. These requests seek to fulfill the departmental mission statements, city-wide benchmarks of success, and the City's vision statement. The Capital Improvement Plan contains capital improvements funded in the current year and five future years.
- Annual Operating Budget: Includes the capital improvements and operating programs required to accomplish departmental mission statements, benchmarks of success and the vision statement of the City.

POLICY DIRECTION City-Wide

Vision Statement

The long-range vision of the City of Winter Springs is to continue a process of community wealth building that is recognized locally, nationally and internationally for its accomplishments of excellence in all functions of municipal government and its uncommon quality of life.

Benchmarks of Success

- A vibrant economy characterized by an expanding and diversified tax base consistent with the strategic vision of the City
- Fiscal soundness and stewardship guided by conservative fiscal and ethically-sound policies and practices
- Development of the City's new "Down Town" in accordance with the Town Center Code of Development
- Development of the City's Class A Office/Professional Center in accordance with the City and Innovation Way District development guidelines
- Redevelopment of the City's older west side in accordance with City redevelopment guidelines
- Development and management of a program of year-round community-wide events to bring the residents of the City together in a celebration of community
- Acquisition and management of advanced information technology which provides optimal information support for the realization of the City's policy directives
- An expanded arts program to provide the citizens with opportunities to experience all forms of artistic creation
- Beautification of the City's major roads and corridors
- Development of great neighborhoods through good design and vigorous enforcement of maintenance codes
- Service excellence in all departments accomplished through a focus upon continued improvement
- A highly competent, motivated and loyal work force of employees capable of providing excellence in all functions of municipal government

FY 09 Operating Resources

Source	Program Resources ¹
General Fund (G)	\$16,076,493
General Fund Transfers In - Non-program	
Specific	(\$6,223,667)
Other Governmental Funds (OG)	18,297,292
Enterprise Funds (E)	<u>\$12,541,806</u>
Total	\$40,691,924

¹ These resources are a roll-up of the organizational units indicated above. The General Fund roll-up includes \$6,223,667of <u>non-program-specific</u> transfers and/or transfers for indirect costs which must be subtracted from the General Fund roll-up to arrive at the program resources from the General Fund. The successive pages carry the designations of G, OG, and E to indicate General Fund, *Other* Governmental Funds, and Enterprise Funds, respectively.

POLICY DIRECTION Organizational Units

The mission of all organizational units of City government is to formulate and carry out intelligent decisions which will add value to the wealth of our City through the accomplishment of the strategic vision and benchmarks of success established by the elected officials.

FY 09 Operating Units

- > Executive
- General Government
- > Finance

- > Capital Projects
- > Water and Sewer Utility
- Development Services
- Stormwater Utility

EXECUTIVE

The mission of the Executive Department is to formulate policy direction for the City and represent the operating units of the City which are most closely involved in the process of formulating the long-range vision of the City, including the formulation of goals and benchmarks of success necessary in accomplishing the strategic vision.

FY 09 Operating Units

- Mayor and Commission establishes policy direction through the provision of laws, policies, procedures and resources to accomplish the strategic vision of the City with the input of citizens, boards, advisory committees, and City staff
- Boards (and Ad Hoc Advisory Committees) provides the Mayor, Commission and City staff with citizen input regarding the formulation and execution of policy. Ongoing boards include: Beautification of Winter Springs Board, Board of Adjustment, Pension Board of Trustees, Code Enforcement Board, Election Districting Board, Planning and Zoning Board, and various assessment district boards. Ad Hoc advisory committees are short-term in nature and established by resolution as needed
- City Manager assists the elected officials of the City in 1) establishing a positive, progressive and futuristic vision for the City, 2) identifying and focusing resources upon this policy direction that will make this vision a reality within established time lines, and 3) managing those resources in the most efficient, effective and responsible manner possible
- City Clerk records and preserves the City's records; responds to requests for information and records; and provides oversight in election processes of the City

Executive (continued)

FY 09 Objectives

- Increased involvement in organizations for the purpose of promoting intergovernmental coordination, cooperation and collectively furthering the awareness of health, safety and wellness for the City of Winter Springs and its citizens -- National League of Cities, Florida League of Cities, Tri-County League of Cities, Council of Local Governments in Seminole County
- Organize and relocate vehicle titles to the vault by April 2009
- Review and organize stored bid packets by June 2009
- Assist elected officials in successfully mitigating the impacts of legislative initiatives to reduce municipal revenues
- Hold Special Meetings and/or Workshops as requested by the City Commission with all Departments to assist the City Commission in departmental needs
- Assist the City Commission in successfully mitigating the impact of the State Board of Administration Local Government Investment Pool's illiquidity crisis; via City Commission and/or Board of Trustees meetings and/or workshops
- Continue to focus the elected officials and staff upon accomplishment of the City's benchmarks of success; conduct Goal-Setting workshop(s) for the City Commission with Marilyn Crotty of the Florida Institute of Government and citizen involvement
- Begin coordination with the Seminole County Supervisor of Elections for improvement of the election process.
- Continue working with the Information Services Department to bring the City's imaging program to current status; continuation of Community Development, initiation of Finance and Public Works' documents
- Continued codification of the City's official Code of Ordinances
- Assist Information Services department with the development of a City-wide email policy
- Conduct Departmental meetings with key staff to regarding the issues of confidentiality, records management and public request procedures

GENERAL GOVERNMENT

The mission of the General Government Department is to provide non-program services which support the operating departments in the City in the accomplishment of their missions.

FY 09 Operating Units

- Legal provides legal services for the City including coordination and oversight of special outside legal services
- Code Enforcement provides judicial hearing officer services in the adjudication of violations of the City's minimum housing and nuisance codes
- General miscellaneous account activities not clearly associated with programs and operating units

FY 09 Operating Resources

General (G) \$719,795

Expenditures (exclusive of transfers)	FY 06/07 Actuals	Original FY 07/08 Budget	Revised FY 07/08 Budget	Projected FY 07/08 Actual/Est	Total FY 08/09 Budget	
<u>General Fund</u> Operating Expenses	\$606,700	\$478,300	\$681,032	\$730,022	\$719,795	1
TOTAL	\$606,700	\$478,300	\$681,032	\$730,022	\$719,795	

¹ Includes \$255,000 for implementation of the 3% pay increase across the board less 1% reduction in merit. Since this was decided at the Final Public Hearing on 9/22/08, time did not allow for divisionspecific placement. This budget will be transferred to the appropriate payroll accounts within the new fiscal year.

FINANCE

The mission of the Finance Department is to maintain the financial integrity of the City through effective fiscal oversight, which is accomplished by the development and implementation of sound financial policies, as well as to provide high-quality customer service to all customers both internal and external.

FY 09 Operating Units

- Finance General safeguards City assets in accordance with the City's investment policy, reports historical and perspective information to both internal and external parties of interest; maintains the City's investment and debt portfolios; cash disbursements; fixed asset management and control
- Utility Billing revenue generation through creation of utility bills (water, sewer, garbage, stormwater); revenue collection for all City services; related customer service

FY 09 Objectives

- To receive the prestigious Certificate of Achievement for Excellence in Financial Reporting for the eighth year in a row
- To receive the prestigious Certificate of Achievement for Excellence in Budgeting Award for the second year in a row
- Complete the Annual Financial Audit for the fiscal year 2008 with an unqualified opinion
- Outsource utility bill printing
- Begin utility billing internal audit

Finance - FY 09 Objectives (continued)

- Convert receivable check payments to electronic file (RemitPlus)
- Begin execution of finance-related document imaging project
- Continued focus on timely and accurate cash disbursements to both vendors and employees
- Continued reporting of historical and perspective information to both internal and external parties of interest in accordance with all federal, state and local guidelines
- Continued management and control of fixed assets while performing annual physical inventories and periodic disposals of surplus property
- Accurate and timely revenue collection for all City services
- Improved customer service to utility customers

GENERAL SERVICES

The mission of the General Services Department is to provide high quality, cost effective support services to all city departments to maintain the goal of being an exemplary city with high standards of service delivery.

FY 09 Operating Units

- Administration provides management and coordination of all divisions of the General Services Department and administrative support to the City Manager's Office
- Human Resources provides personnel services for the city to include wage and benefit administration, pension plan administration, policy review, labor relations, collective bargaining, recruitment, testing, training, and records maintenance
- Purchasing provides procurement services for the city to include requisition and purchase order processing, vendor relations, and facilitation of bid and RFP processes
- > Facilities City Hall provides operations and maintenance services for City Hall
- City Hall Operator provides telephone call routing and caller assistance for customers of the city
- Risk Management provides administration of a comprehensive risk management program including safety and loss control and procurement of insurance coverage

FY 09 Objectives:

- Network:
 - Reconfigure City Hall Telco closets and server room cable management systems
 - Move internet edge switch to west Telco room
 - Replace Dell switch with Cisco 2900 for use as external switch to connect to T1
 - o Install and turn-up new Cisco 2811 router
 - Migrate Trend Micro and Hub Manager to new VM server
 - Configure VPN connectivity for Building Inspectors' laptops, VPN cleanup, migration of VPN services to ASA 5510 Security Appliance, push out Cisco VPN client, document VPN
 - Divide logical user groupings by VLAN, research and test proposed network changes, implement and document changes on network
 - Research DMZ network configuration for best security practices, deploy Cisco 2900 series switch to be used as DMZ only switch, attend Cisco training conference (Network Admin).
 - PD Network Cleanup Move printers to separate VLAN, update documentation
 - Wireless network/ access point cleanup Research current implementation, design and recommend new solution, test, deploy and document new wireless network setup
- Special Projects:
 - o Complete the implementation of Police Digital Patroller
 - Complete Vistawilla PD substation project implementation of voice, data, multimedia
 - o Complete Dell Open Manage setup and reporting on servers
 - Software upgrade City to: Office 2007, Internet Explorer 7, Deploy Symantec Ghost software application at Police Department, Deploy Microsoft Windows Server Update Services (WSUS) City-wide
 - Policy City-wide password conversion to new password policy
 - Launch SharePoint site as main intranet site
 - Training set up in-house training registration site on SharePoint
 - o Documentation Update all documentation and utilize some Office 2007 enhancements
- Kiva & Kiva Citizen:
 - Kiva Provide access to Seminole County Fire personnel, upgrade to Kiva 9.0 release, deploy web access as replacement for Oracle client, modify job folder cover page to display inspections in sequence, modify job site card to meet Florida Statute requirements
 - KivaNet (KN)/Kiva Citizen (KC) Deploy KC to full developer community
 - Oracle Implement Oracle 10g Enterprise Manager for grid control, begin researching upgrade of all environments to Oracle database 11g, begin researching upgrade of Oracle app to 11g
 - o System Analyst/Kiva Administrator attend GIS training class to prepare for Accela GIS

Information Services

FY 09 Objectives (continued)

- o Accela Wireless Deploy to building inspectors and Police Department
- Databases schedule SQL DB backups for all our SQL DBs
- Records Management
 - o Complete scanning for: Community Development, Risk Management, Human Resources.
 - o Continue scanning project with Parks & Recreation, Finance, and Public Works
- Internet and Intranet Web Sites
 - WSPDNet Internal Police Department website
 - Redesign the graphical user interface to ease the navigation of the site
 - Create a standard format for items to be placed on site
 - City Employee Information Network internal City website
 - Create fill-able frequently used forms in InfoPath/SharePoint
 - Place frequently accessed documents into a document library
 - Create sub site for each department
 - Create a City-wide Wiki with step-by-step computer how-to's
 - Create a Wiki for each department

PUBLIC WORKS

The mission of the Public Works Department is to maintain the public infrastructure at the highest level of service for the lowest cost.

FY 09 Operating Units

- Administration provides oversight and support to all divisions within Public Works, including personnel issues, budgeting, purchasing, work order planning and distribution, citizen complaint resolution, and logistics
- Roads and ROW Maintenance maintains the public infrastructure in the public right of way, including sidewalks, street repairs, under drains, tree trimming, street signage, and dirt road grading
- Fleet Maintenance maintains the City's fleet of approximately 120 vehicles. In addition, the three mechanics maintain heavy and light equipment for the Utility and Public Works Department; responds 24/7 to any vehicle difficulties the Police Department may incur
- Facilities Maintenance provides a centralized and initial point of contact for the maintenance of the City's buildings, such as A/C systems, electrical troubleshooting, plumbing issues, roof repairs, and anything else for which a handyman would be needed; repetitive maintenance activities such as A/C servicing, pest control, and generator maintenance are contracted out
- Capital Projects ensures consistency in the implementation of the multitude of capital projects throughout the City; Capital Projects Coordinator assists all departments with their capital projects to ensure that appropriate processes and procedures are followed for the satisfactory and successful completion of all capital projects

¹ Police Education Fund, Special Law Enforcement Trust Fund - Local, Special Law Enforcement Trust Fund -Federal, Police Impact Fee Fund

- Increase Criminal Investigation Bureau arrests by 20% through continued participation in datasharing consortium
- Increase stolen property recovered by the Criminal Investigation Bureau by 20% by adapting to new methods used by criminals
- Spearhead the creation of a county-wide task force to increase the number of child abuse case
 prosecutions
- Ensure the G.R.E.A.T. program is active in all of our schools
- Increase the communication between School Resource Officers and Operations personnel
- Staff review of the School Resource Program to determine if the needs of the community are met
- Increase the number of Neighborhood Watch Groups
- Review the effectiveness of current senior-oriented programs
- Open a Community Service office in one of our shopping centers
- Reduce burglary/robbery opportunities through increased patrol
- Reduce vehicle crashes by increasing the amount of traffic contacts on primary and secondary roads
- Attend more HOA meetings to increase direct resident communication thereby strengthening community interaction and yielding more effective relationships with home owner associations
- Further reduce dispatch time (time between incoming call for service to officer dispatch)
- Reduce the number of unlicensed contractors within the city
- Reduce the number of illegal signs placed in road right-of-ways
- Increase voluntary compliance of code board cases

Police - FY 09 Objectives (continued)

- Installation of red light cameras at major intersections
- Reduce the traffic fatalities, the number/severity of traffic accidents within an intersection, and the number of children injured in traffic accidents
- Further increase voluntary compliance with State Statutes through awareness, education, and pro-active enforcement
- Re-accreditation of Department for state award
- Create a list of time-sensitive reports required for accreditation
- Create an Outlook task reminder calendar to track reporting requirements
- Establish a system for scanning and entering training data
- Scan and enter 20% of past training documents into Training-Trak software
- Scan and enter 100% of previous year's module training into Training-Trak
- Scan and enter 100% of previous year's Defensive Action Reports into IA Trak software
- Scan and enter calendar year 2006-2007 Internal Affairs files into IA Trak software
- Increase self-audits of Property/Evidence Room
- Reduce vehicle down time
- Continue upgrading police department facility to improve working conditions
- Develop and work more local drug cases in-house through the use of department resources
- Create and implement several safety traffic operations within the city limits to promote road safety

FIRE

Effective October 2, 2008 the Fire Department will be consolidated with Seminole County Fire Department.

The mission of the Fire Department is to deliver quality emergency and non-emergency fire and medical services to both citizens and visitors of Winter Springs and to promote a safe environment through inspections, plans review and education.

¹ Park Impact Fee Fund

- Establish fees and charges in all areas
- Become operational with the New Active Network Software System
- Work with design and engineering for CWP Expansion Building, utilities and walkways
- Aggressively promote the parks and recreation programs and facilities to encourage more citizen participation
- Develop new department-wide job descriptions based on changed duties
- Develop park management plan
- Certify all park rangers in C.E.R.T. and review emergency storm procedures semi-annually
- Park Ranger staff training 10 hours annually
- Volunteer at Wekiwa State Park for a minimum of 20 hours annually
- Increase number of softball teams participating in adult leagues by six teams
- Add Senior softball league on Thursday nights and men's softball league on Wednesday nights
- Increase enrollment in summer sports camps (design and produce T-shirt, restructure instructor contracts, market in Sentinel camp guide)
- Restructure summer sports camps to (ala WS Elementary or IMPACT Sports)
- Increase field play usage by one hour weekly
- Increase field rental revenue by \$10K annually
- Strengthen partnership with Seminole County School Board; develop strategic plan to benefit middle school athletics
- Re-establish safety program to ensure a safe work environment
- Central Winds Park Upgrade/new installations lights on the fields, amphitheater weed control and new grass, fertilization, painting of admin building, and new clay
- Painting pavilions and front entrances at all outside parks
- Installation and replacement of signage

Parks and Recreation - FY 09 Objectives (continued)

- Re-mulching all playgrounds, repair playground equipment
- Herbicide, insecticide and fertilization programs to promote the recreational turf in Trotwood, Moss, Torcaso and Sunshine Parks
- Cleaning of all basketball courts
- Clean, strip and resurface splash pad; service pumps, motors and valves
- Clean wood line near splash pad and par course exercise stations
- Seek out relationships with partnering facilities for summer camps
- Identify program needs and special event safety concerns
- Increase special event sponsorship
- Greater involvement with and recognition of special event volunteers (committee)
- Evaluate senior events, classes and/or open swim times at the Senior Center to determine the most efficient and effective use of staff and facilities
- Look into a Senior Fitness Program/Facility
- Increase 'senior shut-in' participation
- Utilize pool cover for reduced electric costs at Senior Center Therapy Pool
- Construction and grand opening of second splash playground at Trotwood Park
- Implement a structured program to charge splash playground fees
- Maintain contract services chemical application and landscaping
- Oversee concession contract

DEBT SERVICE

The mission of the Debt Service Funds is to pay off the debt instruments in a timely and efficient manner while complying with all contractual terms and covenants thereby maintaining the highest possible credit rating.

FY 09 Operating Units

- TLBD Debt Service accumulation of resources and payment of principal and interest for the Tuscawilla Lighting and Beautification District Phase I improvements
- TLBD Phase II Debt Service accumulation of resources and payment of principal and interest for the Tuscawilla Lighting and Beautification District Phase II improvements
- Oak Forest Debt Service accumulation of resources and payment of principal and interest for the Oak Forest Wall
- 2003 Debt Service accumulation of resources and payment of principal and interest for the refunding of the 1993 bond issue
- 1999 Debt Service accumulation of resources and payment of principal and interest for the refunding of the 1989 bond issue
- Central Winds G.O. Debt Service accumulation of resources and payment of principal and interest for land purchase at Central Winds Park
- 2004 Capital Project Debt Service accumulation of resources and payment of principal and interest for the Senior Center therapy pool expansion

FY 09 Operating Resources

General (G)	\$60,000
TLBD Debt Service (OG)	\$165,566
TLBD Phase II Debt Service (OG)	\$32,356
Oak Forest Debt Service (OG)	\$59,795

1999 Debt Service (OG)	\$224,000
Central Winds G.O. Debt Service (OG)	\$20,000
Total	\$1,599,744

CAPITAL PROJECTS

The mission of the Capital Project (CP) Funds is to provide the infrastructure necessary to accomplish the City's vision for the future and benchmarks of success.

FY 09 Operating Units

- 1999 Construction C.P. Fund construction of various capital improvements such as Town Center Trail and Infrastructure, Veteran's Memorial and Magnolia Park
- Revolving Rehabilitation C.P. Fund completion of townhouse condominium rehabilitation for potential police officer habitation
- > Utility/Public Works Facility C.P. Fund ongoing construction of Utility/Public Works Facility
- Hazard Mitigation Grant Program (HMGP) C.P. Fund improvements to the Police Headquarters, Fire Stations and Senior Center for the purpose of hazard mitigation
- Trotwood Improvements C.P. Fund various improvements at Trotwood Park such as splash pad, pavilion, shade structures, etc.
- Senior Center Expansion C.P. Fund purchase of furniture and equipment related to Senior Center therapy pool expansion

WATER and SEWER UTILITY

The mission of the Water and Sewer Utility Department is to effectively provide water, wastewater, and reclaimed water services to our customers in a safe and reliable manner at the highest level of service for the lowest cost.

FY 09 Operating Units

- Operations administration, water and wastewater treatment operations, water and wastewater field operations, meter services
- Renewal and Replacement per the bond covenants an amount equal to five percent (5%) of the gross revenues received during the immediately preceding fiscal year must be on deposit in the Renewal and Replacement Fund for the purpose of extensions, enlargements or additions to, or the replacement of capital assets of the System and emergency repairs thereto. Such monies may also be used to supplement the Reserve Account, if necessary, in order to prevent a default in the payment on the bonds.
- Revenue Generation section 19-127 in the Code of Ordinances required twenty (20) years of annual deposits in the amount of \$51,000 into the Revenue Generation department. Although this requirement was satisfied in fiscal year 2006, fund balance exists for sewerage system capital improvements
- 2000 Utility Construction construction funding for Utility/Public Works facility with proceeds from a 2000 bond issue

FY 09 Operating Resources

Water and Sewer Utility (continued)

- Operate and reliably provide potable water from the three City water treatment plants to our 13,000 customers
- Treat and dispose of the wastewater generated by our 12,500 customers at the two water reclamation facilities (WRF's)
- Proactively maintain the 42 lift stations, 160 miles of water mains, 111 miles of sanitary sewer mains, 980 fire hydrants and 13,000 meters in the City
- Replace the water distribution lines in the North Orlando Terrace area which has rear yard meters and sub-standard distribution line sizes
- Reline sanitary sewer mains to reduce infiltration and extend the life expectancy of the targeted sewer mains which is near lift station 2
- Replace potable meters whose accuracy has diminished due to the volume recorded by the meter thereby reducing unaccounted for water loss
- Implement the utility rate study to ensure revenues are sufficient to cover operational and capital costs of the Utility
- Finalize preliminary design of the Lake Jesup reclaimed water augmentation treatment plant to begin the process of reducing groundwater withdrawals by replacing potable water irrigation with an alternative water source

DEVELOPMENT SERVICES

The mission of Development Services is to exceed customer expectations and promote the general health, safety, and welfare of the citizens of Winter Springs through responsive, thorough, professional plan review, building inspection and associated customer service.

FY 09 Operating Outcomes

- Plans and Inspections monitors and amends processes as necessary to continue to provide/enhance quality plans review and inspections; ensure that all requirements of the Town Center code are implemented in the actual development construction; provide a high level of technical assistance to developers and contractors on construction projects within the City
- Customer Service (includes Delinquent Permits) on-line reporting of various data for use by city residents; liaison between the other departments and divisions; refines customer service skills and develops new tools to increase the level of customer service

FY 09 Operating Resources

General (G)	\$25,653
Development Services (E)	\$640,821
Total	\$666,474

Expenditures (exclusive of transfers)	FY 06/07 Actuals	Original FY 07/08 Budget	Revised FY 07/08 Budget	Projected FY 07/08 Actual/Est	Total FY 08/09 Budget

TOTAL	\$846,386	\$1,172,644	\$1,172,644	\$748,545	\$666,474

- Full implementation of the wireless KIVA application for all field personnel
- Complete the conversion of all BTR processing from Munis to Kiva
- Fully staff the Plans Review and Inspections division, pursuant to work load
- Initiation on-line permitting services and BTR applications
- Finalize the development of the KIVA land management data base/module
- Provide support for the reporting of wireless inspection results

STORMWATER UTILITY

The mission of the Stormwater Utility Fund is to ensure that adequate conveyance capacity is maintained in the existing stormwater system, to oversee that additions and expansions to the stormwater system enhance the system, and to provide improvements to the water quality of the stormwater runoff from the City of Winter Springs.

FY 09 Operating Units

- Operating maintains and improves the stormwater ponds, piping, inlets, creeks, swales, and drainage ditches in the City; mosquito control also included in this operating division
- Engineering provides technical oversight of the City's stormwater system; includes development plan review, master planning, use of engineering consultants, intergovernmental cooperation, participation in regional initiatives, response to citizen complaints and inspection of construction projects in the City
- Special Projects segregate state and/or federal funds received as grants or matching grants for improvements to the stormwater system or remediation of a deficiency in the stormwater system; examples include bank stabilization and creek clearing of debris removal after hurricanes

FY 09 Operating Resources

General (G)	\$20,028
Water & Sewer Utility (E)	\$40,057
Stormwater (E)	\$1,120,623
Total	\$1,180,708

Expenditures (exclusive of transfers)	FY 06/07 Actuals	Original FY 07/08 Budget	Revised FY 07/08 Budget	Projected FY 07/08 Actual/Est	Total FY 08/09 Budget

TOTAL	\$963,727	\$1,074,769	\$1,412,869	\$1,345,403	\$1,180,708

- Maintain and monitor the public drainage piping and ponds to ensure that any flooding or adverse impacts to the public are alleviated
- Maximize the capabilities of the existing system to improve water quality
- Implement capital improvements in the Stormwater Master Plan
- Participate in the regional mosquito control efforts
- Adopt and begin implementing the Total Maximum Daily Load Master Plan
- Complete the audit of the stormwater billings for all customers to ensure accuracy

Financial Structure

Introduction

The operations for the City of Winter Springs are accounted for on the basis of fund and account groups. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Winter Springs, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Fund Categories

All of the funds of the City of Winter Springs can be divided into three categories governmental funds, proprietary funds, and fiduciary funds. The City has four types of governmental funds: General, Special Revenue, Debt Service, and Capital Project. The City of Winter Springs maintains one type of proprietary fund called enterprise funds. Such funds have been established for the *Water and Sewer Utility, Development Services*, and the *Storm Water Utility Fund*. The *Pension Trust Fund* is the only fiduciary fund and is not reflected in this budget because the resources of such funds are held for the benefit of parties outside the government. It is the only fund that is included in the Comprehensive Annual Financial Report that is not included in this budget.

The basis of accounting for *budgetary* purposes is the same as that used for the *audited financial statements.* The accrual basis is utilized for the Enterprise and Pension Funds and the modified accrual basis is utilized for all others. Under the accrual basis revenue and expense items are recognized as they are earned or incurred, even though they may not have been received or actually paid in cash. The general idea is that economic events are recognized by matching revenues to expenses (the matching principle) at the time in which the transaction occurs rather than when payment is made (or received). Under the modified accrual basis, revenue is recognized when it is earned and becomes available and measurable. Expenditures are typically recognized in the period in which the liability is incurred.

Also designated is each fund's classification as a *major* or *non-major* fund as determined by the calculation used in the fiscal year ending September 30, 2007 Comprehensive Annual Financial Report. A major fund is one whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental *or* enterprise funds and at least 5 percent of the aggregate amount for all governmental *and* enterprise funds for the same item. The prescribed accounting basis and fund classification is indicated below for all funds.

Governmental:

General Fund

MAJOR/modified accrual basis

This is the chief operating fund of the City of Winter Springs. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Special Revenue Funds

(#102) Police Education Fund

nonmajor/modified accrual basis

This fund accounts for the costs of educational expenses for police officers. It is funded by a portion of the collections from fines and forfeitures.

(#103 and #108) Special Law Enforcement Trust Funds (Local and Federal, respectively) nonmajor/modified accrual basis

These funds were established to receive revenues derived from confiscated property obtained during the enforcement of illegal operations. Proceeds are utilized strictly for law enforcement purposes, exclusive of salaries and vehicles. Such purposes may include drug education programs such as the DARE program.

(#104) Transportation Improvement Fund

nonmajor/modified accrual basis

Revenues in this fund are derived from Local Option Gasoline Tax distribution. Proceeds are to be used for road, right of way, and drainage maintenance and equipment necessary to build or maintain roads, right of ways, and drainage.

(#107) Solid Waste / Recycling Fund

nonmajor/modified accrual basis

This fund is used to account for fees for solid waste and recycling services performed by contract vendors. Proceeds are used to pay monthly vendor charges for providing solid waste and recycling services.

(#109) Emergency and Disaster Relief Fund

nonmajor/modified accrual basis

This fund was established to capture the costs of hurricane preparation and recovery due to the unusually active and costly 2004 hurricane season.

(#110) Arbor Fund

nonmajor/modified accrual basis

This fund is used to account for arbor revenues. This revenue source is used to maintain plantings in the City.

(#112) HOA Projects – Streetlighting & Signage Fund

nonmajor/modified accrual basis

This fund was established to account for streetlighting and signage projects for homeowners associations.

(#114) Storm Reserve Fund

nonmajor/modified accrual basis

This fund was established when the new solid waste contract was structured. One dollar per month per residential customer will be assessed for storm clean-up via the Solid Waste Fund and transferred into this fund for that purpose.

(#115) Road Improvements Fund

MAJOR/modified accrual basis

This fund is used to account for collected one-cent sales tax revenues to be used for Town Center road improvements.

(#140) Transportation Impact Fee Fund

nonmajor/modified accrual basis

This fund is used to account for collected impact fees on new development to help defray the cost of future road construction as a result of growth.

(#145) Public Facilities Impact Fee Fund

nonmajor/modified accrual basis

This fund is used to account for the collected impact fees on new development to defray the cost of capital investment needed to maintain public buildings due to future growth.

(#150) Police Impact Fee Fund

nonmajor/modified accrual basis

This fund is used to account for collected impact fees on new development to help defray the cost of capital investment needed to maintain the level of police service due to future growth.

(#155) Parks Impact Fee Fund

nonmajor/modified accrual basis

This fund is used to account for collected impact fees on new development to defray the cost of capital investment needed to develop and improve the parks due to future growth.

(#160) Fire Impact Fee Fund

nonmajor/modified accrual basis

This fund is used to account for collected impact fees on new development to help defray the cost of capital investment needed to maintain the level of fire service due to future growth.

(#170) Medical Transport Services Fund

nonmajor/modified accrual basis

This fund is used to receive revenues generated from fees charged for paramedic services. The proceeds from this fund are used to pay for the incremental costs related to providing these services.

(#172) Public and Communications Service Tax Fund MAJOR/modified accrual basis

This fund accounts for collections of utility taxes charged on electric, water and gas services as well as telecommunications service taxes. Proceeds are used to pay annual debt service and monies not required to pay debt service are transferred to the General Fund.

(#174) Electric Franchise Fee Fund

nonmajor/modified accrual basis

This fund is used to account for proceeds of electric franchise fees. These proceeds are used to pay annual debt service and monies not required to pay debt service are transferred to the General Fund.

(#184 and #185) TLBD Maintenance Funds (Phase I and II, respectively) nonmajor/modified accrual basis

This fund is used to account for collected special assessments for maintenance related to the Tuscawilla Lighting and Beautification District phases I and II. In fiscal year 2006-2007, these maintenance programs were streamlined into one assessment district and are accounted for in fund #182.

(#191) Oak Forest Maintenance Fund

nonmajor/modified accrual basis

This fund is used to account for collected special assessments for maintenance related to the Oak forest subdivision wall.

Debt Service Funds

(#182 and #213) TLBD Debt Service Funds (phases I and II, respectively) #182 MAJOR/modified accrual basis; #213 nonmajor/modified accrual basis These funds are used to account for the accumulation of resources and payment of principal, interest and related costs for the 2001 and 2006 special assessment bond issues.

(#192) Oak Forest Debt Service

nonmajor/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal, interest, and related costs for the 2000 note payable (Oak Forest portion).

(#206) 2003 Debt Service Fund

nonmajor/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal, interest, and related costs for the 2003 bond issue.

(#215) 1999 Debt Service Fund

nonmajor/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal, interest, and related costs for the 1999 bond issue.

(#225) Central Winds General Obligation Debt Service Fund

nonmajor/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal, interest, and related costs for the 2002 limited general obligation bond.

(#230) 2004 Capital Projects Debt Service Fund

nonmajor/modified accrual basis

This fund is used to account for the accumulation of resources and payment of principal and interest for the Capital Improvement Revenue Note Series 2004.

Capital Projects Funds

(#305) 1999 Construction Capital Projects Fund

nonmajor/modified accrual basis

This fund was established for the acquisition and construction of City-owned capital improvements.

(#306) Revolving Rehabilitation Capital Projects Fund nonmajor/modified accrual basis This fund was established to provide loans for rehabilitation projects within the City.

(#308 and #313) TLBD Improvements Funds (Phases I and II, respectively) nonmajor/modified accrual basis

These funds were established to account for the construction of improvements to the Tuscawilla Lighting and Beautification District.

(#309) Oak Forest Capital Projects Fund nonmajor/modified accrual basis This fund was established to account for construction of the Oak Forest subdivision wall.

(#311) Utility/Public Works Facility Capital Projects Fund

nonmajor/modified accrual basis

This fund was established to account for the construction of public facilities - currently the Public Works/Utility Compound.

(#312) Public Facilities Capital Projects Fund

nonmajor/modified accrual basis

This fund was established to account for the construction of a number of capital projects, the priority of which has yet to be determined.

(#314) HMGP Project Fund

nonmajor/modified accrual basis

This fund was established to account for the Hazard Mitigation Grant revenues and expenditures. The grant monies will reimburse 75% of the eligible project costs, with the remaining to be absorbed by the City via transfers from the Fire, Police, and Park Impact Fee Funds.

(#315) Trotwood Improvements Fund

nonmajor/modified accrual basis

This fund was established to account for improvements to Trotwood Park; \$200,000 expected in FRDAP grants.

(#316) Senior Center Expansion Fund

nonmajor/modified accrual basis

This fund was established to account for the Senior Center Expansion project. This project is to include an indoor therapy pool and will heavily rely on CDBG funds from Seminole County.

Proprietary:

Enterprise Funds (#401) Water and Sewer Utility Fund

MAJOR/accrual basis

This fund was established to account for the provision of water and sewer services to the residents of the City. All necessary activities associated with providing these services are accounted for in one of four fund categories: Operating, Renewal and Replacement (requires fund balance equivalent to 5% of previous year's gross revenues), Revenue Generation, and 2000 Utility Construction.

(#420) Development Services Fund

MAJOR/accrual basis

This fund was established in 2003 to account for the Plans and Inspections department, the Customer Service department, and the Delinquent Permits department as divisions of an enterprise fund.

(#430) Stormwater Utility Fund

MAJÓR/accrual basis

This fund was established to account for the storm water management department as an enterprise fund.

Fiduciary:

Pension Plan Trust Fund accrual basis

This fund accounts for the contributions to the defined benefit plan. Because this fund accounts for the resources held for the benefit of parties outside the government it is not included in the budget document.

Budget Process

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all funds. The budget is established through the following procedures:

- In January and February, department directors begin the task of budget preparation for the next fiscal year. For several weeks, discussions ensue on many levels and gradually the budget begins to emerge.
- About March of each year, the budget calendar is presented by staff and approved by the City Commission.
- In the spring, meetings are convened with each department director and their support staff, the City Manager, the Finance Director and the Budget Analyst to evaluate the budget requests. From those in-house workshops, a Preliminary Budget is prepared that includes both the department requests and the City Manager's recommended budget.
- On or before July 1 of each year, the City Manager submits this Preliminary Budget to the Commission for consideration.
- The City Commission then holds informal budget workshops which the public is invited to attend.
- In late July, the City Commission sets the tentative millage rate (DR 420) which becomes the millage 'ceiling' when approving the annual millage rate and budget in September. Although it is possible for a City to exceed its millage cap, to do so is a difficult and costly process.
- Also established at this late-July meeting are the rolled-back rate calculation, the date, time and place of the FIRST Public Hearing. Once these determinations have been made they are communicated via the DR 420 to the Seminole County Property Appraiser, the Seminole County Tax Collector and the Department of Revenue. This information is then advertised via the Notice of Proposed Property Taxes (TRIM Notice) which is mailed to property owners by the Property Appraiser.
- Two to five days prior to the SECOND public hearing the notice of the final budget hearing is advertised in a newspaper of general paid circulation. If a tax increase is proposed that must also be advertised.
- On or before September 30 of each year, after two public hearings, the Commission adopts the final budget and establishes the ad valorem tax millage.
- The TRIM (Truth in Millage) compliance package is submitted to the Department of Revenue.
- The budget may be formally amended by the Commission at any time.

Date	Function
March 11	Commission approves budget calendar
April 20	Deadline for Departments to submit budgets to Finance
May - June	City Manager/Finance review budgets with Departments
July 17	Preliminary Budget and Budget Message presented to Commission
July – Sept	Budget Workshops with Commission
July 1	Property Appraiser sends DR 420 certification
July 28	Commission sets DR 420 cap (Resolution; Regular agenda item)

2009 Fiscal Year Budget Calendar:

July 20	Notice to Dreparty Appreciant of propagad millage rate, rolled healt rate
July 30	Notice to Property Appraiser of proposed millage rate, rolled-back rate,
	date, time, and place of FIRST Public Hearing (within 35 days of value
	certification)
August 25	Deadline for Property Appraiser to send TRIM Notice
	(This is considered notification of Tentative Budget hearing; must be mailed
	by PA within 55 days of value certification)
September 8	First Public Hearing (Tentative)
	(within 80 days of value certification but not earlier than 65 days after
	certification)
September 18	Advertisement publication date
	(Final public hearing must be within 15 days of the tentative public hearing)
September 22	Second Public Hearing (Final)
	Final millage and budget hearing - Adoption of final millage and budget
	must be done separately and in that order. (Hearing must be held not less
	than 2 days or more than 5 days after advertisement is published)
September 25	Resolution to Property Appraiser and Tax Collector
	This must be done within 3 days of adoption of final millage rate
Soon after the	Mail TRIM package to Property Tax Administration Program Department of
Final Hearing	Revenue (must be submitted within 30 days of final adoption and pending
5	receipt of DR 422 Certification of Final Taxable Valuation).

Budget Transfers and Amendments

- The legal level of budgetary control is at the department level.
- The City Manager is authorized to transfer budgeted amounts between accounts within a department.
- The budget is an annual one, as such, unexpended appropriations for these funds lapse at the end of each fiscal year.
- Increases to the budget are accomplished by resolution duly adopted by the Commission. There are usually two amendments to the budget each fiscal year one at mid-year and one within 60 days of the fiscal year-end.

Budget, Financial and Management Guidelines

The following policies serve as guidelines and are amended as needed.

<u>General</u>

- An independent audit will be performed annually. The City administration will promptly evaluate the audit management letter to determine the necessary steps to implement the audit recommendations.
- Financial records to be maintained on a basis consistent with Generally Accepted Accounting Principles (GAAP) and the Government Accounting Standards Board (GASB).
- The City will strive to maintain a fund balance in the General and Enterprise funds of 25% of personnel services and operating expenditures which serves to protect against the need to reduce service levels or raise taxes and fees due to temporary revenue shortages or unpredicted spikes in expenditures.
- The City will strive to ensure that personal and operating costs do not exceed recurring revenues; that is, recurring expenses will not be funded with non-recurring revenue.
- It will be the City's highest priority to maintain current service levels for all essential services.
- Employee positions are fully-funded. Annual merit increases have been budgeted organization-wide at 3%. Also, effective October 2, 2008 a 3% across the board increase will be implemented.

<u>Revenues</u>

- The City will strive to maintain diversified revenues for the sake of fiscal stability and to most equitably distribute the cost of services.
- The City will set user-fees for all enterprise funds at a level that fully supports the total direct and indirect cost of the activity.
- A portion of the cost of non-enterprise activities may be considered for subsidy provided that such action is consistent with the interests of the City and with all legal requirements.
- The use of one-time revenues to fund ongoing expenditures is discouraged.

<u>Budget</u>

- The City will abide by a structured budget process and comply with the "Truth in Millage" state statute which regulates taxing authorities in the millage assessment process.
- Budgets are considered balanced when revenues and appropriations from the fund (if applicable) equal expenditures and appropriations to the fund (if applicable).
- The City will adhere to all Federal, State, and local legal requirements related to the operating budget.
- The City will maintain a budgetary control system to ensure budgetary compliance.
- All fund balances will be presented in the annual budget.
- The City will attempt to avoid layoffs of permanent employees in order to balance the budget.

Purchasing

- The City Manager is authorized to purchase or to contract for all commodities and services which do not exceed \$25,000; those in excess require written bids and Commission approval.
- Regarding bids, the City of Winter Springs intends to secure a source of supply for item(s) or services(s) at the lowest price; early and satisfactory manufacture; and prompt, convenient service and shipment.
- Purchase orders over \$5,000 must be approved by the City Manager.
- Purchases for commodities and services over \$2,500 require three quotes unless a sole source vendor is being utilized or the City is piggy-backing off another governmental agency.

Investments and Cash Management

- Cash and investments are managed in accordance with the City's investment policy while providing for liquidity to meet the City's needs in a sound and prudent manner.
- The City administers a cash management and investment program that seeks to maximize, in order of priority, the preservation of funds, liquidity, and interest earnings over its cash and investments.
- The City will collect revenues aggressively, including past due bills and may utilize a collection agency to accomplish this.

Capital Assets

- The budget will provide for the maintenance and replacement of capital assets which are defined as expenditures which equal or exceed \$1,000.
- The City has a five-year Capital Improvements Plan (CIP) which it annually reviews and updates to ensure that all necessary capital improvements are being incorporated. This plan is a multi-year prioritized schedule of capital improvements (which equal or exceed \$50,000) by intended year of purchase or commencement, the amount of expenditure per year, method of financing and annual operating costs.
- Assets will be inventoried annually. Assessment as to condition of all major capital assets is routinely evaluated by the respective departments.
- Surplus and obsolete property will be disposed of at public auction.

Debt Management

- There are no limitations placed on the amount of debt the City may issue either by the City's charter, code of ordinances or State statute.
- The City shall manage debt issuance and obligations according to sound public fiscal management principles so that the City is able to provide needed capital improvements and maintain services at adopted levels of service (LOS).
- Debt service managed to ensure that timely payment of principal and interest is made and that bond covenants are met so as to maximize efficiency and credit-worthiness.
- General obligation debt will not be used to finance the activities of enterprise funds.
- The term of any bonds shall not exceed the useful life of the expenditures being financed.
- Long-term debt will not be utilized to fund current and ongoing operations.

- For long-term debt, the City uses financial advisors independent of bond brokerage houses and independent bond counsel to determine the best method of financing.
- The City will maintain an adequate debt service fund for each bond issue.
- See Debt Service section for a list of criteria for managing debt financing and selecting revenues to finance public facilities.

Pension Plan

- The City's pension plan is a defined benefit plan. A participant who retires after reaching the Normal Retirement Date will receive a monthly pension based on a formula that reflects years of service, average compensation and a benefit multiplier.
- Employees become plan participants on the first day of the month immediately following the date 6 months after the first day of employment.
- The City will provide sufficient funding to the pension plan in order to ensure that the plan will be able to fully meet its obligations to retired employees on a timely basis.
- For fiscal year 2008, the City will contribute 15% of the employee's compensation with a 3% employee contribution rate.

¹ In fiscal year 2008, \$750,000 was drawn down from a SunTrust line of credit for the Senior Center Expansion. These funds will be transferred to the 2004 Line of Credit Debt Service Fund (#230) for interest and principal reduction via division 7251 - Senior Center Pool.

² The \$255,000 indicated in fiscal year 2009 represents a 'place holder' for implementation of the 3% pay increase across the board less the 1% reduction in merit. This was decided at the Final Public Hearing on 9/22/08. Early in the fiscal year, this budget will be transferred to the appropriate payroll accounts.

TOTAL UTILITY BILLING BUDGET \$515,081 \$643,363 \$649,613 \$618,853 \$645,310		

The italicized amounts in 'New' column are the result of anticipated new construction.

Note: In FY09, new 'Contract Services" also includes a full year of bill print outsourcing services. This service was originally budgeted for a full year in FY08, but due to a lengthy program implementation phase this service will not require the full year's budget.

1 Note: Each year, a portion of this line code is moved into the appropriate payroll accounts to account for the camp counselors' payroll. This is the reason for the seemingly large variance between the previous year actuals and the current and prospective year budgets. See the offsetting variance in the payroll accounts.

² The increased utility service cost is due to the outdoor lighting at the Civic Center that had previously been charged to the Senior Center during the initial year.

¹ In fiscal year 2007 a short-term loan was extended from the General Fund to the Senior Center Expansion Fund. This transfer was returned to the General Fund in fiscal year 2008 as loan proceeds were secured from the City's Line of Credit with SunTrust.

Telephone:

Cell phone for Pool Attendant \$555

² In fiscal year 2008, \$750,000 was drawn down from a line of credit for the Senior Center Expansion. These budgeted funds will be transferred to the 2004 Line of Credit Debt Service Fund (#230) for interest and principal reduction.

1 The budget related to the Festival of the Arts was not confined to this division. The revenue neutral increase served to increase the 2008 expenditure budget in Parks and Grounds, Public Works, Urban Beautification and Police. It will be necessary to 'roll' the remaining unspent budget to the appropriate divisions in fiscal year 2009.

001-347515	Splash Playground Revenue	\$0	\$0	\$0	\$3,000	\$60,000	\$0	\$60,000

Salary based on four part-time employees (\$5,760 hours in total) who monitor Splash Playgrounds at Torcaso and Trotwood park; 7 days/week during the Splash Playground season.

The amounts in the new column are due to the advent of Trotwood splash playground in FY 2009.

FUND BAI	LANCE - September 30	\$10,250	\$2,071	\$2,381	\$5,707	\$0		\$0

On June 1st of each year, this fund will return to Glen Eagle that portion of their deposits in excess of 25% (\$5,525) of the total Glen Eagle Street Sign project (\$22,101). Subsequent interest revenue will serve to increase the fund and subsequent expenditures for the repair and maintenance of the street signs will decrease the fund. The fund will be analyzed on an annual basis and the requisite steps taken to bring the Glen Eagle 'deposit' to its target level of \$5,525. At this time, Glen Eagle is the only Home Owners' Association (HOA) with a financial interest in this fund.

Note -- CIP projects #30097 and #30098 were capitalized in fiscal year 2007 at the full value of the respective asset. It should be noted, however, that <u>the cash expenditure was mitigated by</u> <u>impact fee credits</u> in the form of deferred revenue as set forth in the following balance sheet.

Balance Sheet @ 9/30/07 Assets:	
Cash and Cash Equivalents	\$900,933
Liabilities:	
Accounts Payable	(\$77,043)
Retainage Payable	(\$13,247)
Deferred Revenue - 11 credits @ Jesup's Reserve	(\$21,331)
Deferred Revenue - 185 credits @ Jesup's Landing	(\$358,750)
Fund Balance:	
Unreserved	\$430,562

<u>GLOSSARY</u>

account number – in accordance with the state chart of accounts, each class of expenditures and revenues is assigned a specific account number for use within the City's accounting system

ad valorem tax – a tax levied on assessed value of real property (land and buildings) and personal property (business equipment) within the City and not expressly exempt; also known as property tax

accrual basis – method of accounting that focuses on total economic resources and recognizes the financial effect of transactions, events, and interfund activities when they occur, regardless of the timing of related cash flows

actual – historical data as opposed to budget data; those funds which have been already been received or utilized as opposed to budgeted funds that are merely estimates of possible funds to be received or utilized

annual budget – an estimate of expenditures for specific purposes during the fiscal year (October 1 – September 30) and the estimated revenues for financing those activities

appropriation - an authorization granted by the City Commission to make expenditures and to incur obligations for the purposes specified

assessed valuation – property valuation established by the County Property Appraiser as a basis for levying taxes

balanced budget – budget in which each fund's revenues and appropriations from the fund (if applicable) equal expenditures and appropriations to the fund (if applicable)

bonds - a certificate of debt issued by a government or corporation in order to raise money; the issuer is required to pay a fixed sum annually until maturity and then a fixed sum to repay the principal

budget – expenditure authority created by resolution which is an estimate of anticipated income and expenditures for the fiscal period with a plan to maintain a proper balance between the two

capital – a level of budgetary appropriation that includes expenses for land, building, machinery and equipment; expenditures must equal or exceed \$1,000 to be considered for capitalization and have a useful life that extends beyond a single reporting period

capital project fund – a fund type used to account for the sources and applications of funds related to the acquisition or construction of major capital facilities

CIP – Capital Improvement Program

contingency – an appropriation of funds to cover unforeseen events that occur during the fiscal year

CRA – Community Redevelopment Area; a public entity created to implement redevelopment activities as outlined under Chapter 163, Florida Statutes; the investment generates increased tax revenues which then finance the debt issue (see also TIF)

debt service – the payment of principal and interest on borrowed funds such as bonds

debt service fund – a fund type used to account for the accumulation of resources for the purpose of paying long-term principal and interest

defined benefit plan – pension plan that has terms specifying the amount of benefits to be provided after separation of employment; to be distinguished from a defined contribution plan in which the plan specifies the amount of the contribution to the plan

department – an organizational unit comprised of one or more programs, responsible for carrying out a major governmental function

depreciation – the decrease in value of physical assets due to use and the passage of time

EAR – Evaluation and Appraisal Report; a State-mandated report which evaluates how successful a community has been in addressing major community land-use planning issues through implementation of its comprehensive plan

employer contribution – in the context of pension benefits a term to describe contributions actually made by the employer in relation to the annual required contribution (ARC) of the employer

EMS - Emergency Medical Service

encumbrance – an amount of money committed for the payment of goods and services not yet received (performed) or paid

enterprise fund – a self-supporting fund designed to account for activities supported by user charges and operated in a manner similar to private business enterprises; the Water and Sewer Fund is an example of an enterprise fund

excise tax - a tax assessed on the consumer of a service, usually a utility service that is based upon the level of consumption

expenditure – the amount of money actually paid or obligated for payment from City funds **fiduciary fund** – a fund type used to reports assets held in trust for others which therefore cannot be used to support the government's own programs (i.e. pension trust fund)

fines and forfeitures – revenues derived from penalties imposed for the commission of statutory offenses, violation of lawful administrative rules and regulations and for neglect of official duty; confiscated property is an example of this revenue category

fiscal year – any period of 12 consecutive months designated as the budget year; the City's budget year begins October 1 and ends September 30; the year is represented by the date on which it ends. October 1, 2007 to September 30, 2008 would be Fiscal Year 2008 (FY 08)

FY – Fiscal Year

franchise fee – a fee assessed on a business, usually a public utility, in return for giving them the exclusive right to operate inside the City limits

FTE – Full-Time Equivalent, which is calculated on the basis of the number of hours that have been budgeted for a particular position; i.e. 1 FTE = 2080 hours, .5 FTE = 1040 hours **fund** – an accounting entity that has a set of self-balancing accounts and that records all financial transactions or specific activities of government functions

fund balance – the resources available for appropriation in accordance with the prescribed basis of budgeting

fund equity - net assets less net capital; noncapital portion of net assets

GAAP - Generally Accepted Accounting Principles as promulgated by the Governmental Accounting Standards Board

General fund – the general operating fund of the City which is supported primarily through taxes, fees and intergovernmental revenues and includes most of the essential governmental services such as police, public works, and general administration

General Obligation Bond (GOB) – one of four basic forms of long-term debt that pledges the general credit and taxing powers of the borrowing government and which, therefore, requires voter approval for issuance

GIS – Geographic Information Systems

HOA – Homeowners Association

impact fees – fees charged to developers at the time of development for construction of facilities to serve the development site

interfund transfer – flow of assets between funds without equivalent flow of assets in return and without requirement for repayment

Kiva – land management software

LCIR – the State of Florida's Legislative Committee on Intergovernmental Relations; provides some intergovernmental revenue estimates for budgetary purposes

LIBOR – London Interbank Offered Rate; the rate at which banks offer to lend unsecured funds to other banks in the London wholesale money market

Local Option Gas Tax – a tax established in 1983 to fund transportation-related improvements

major fund – a fund whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental *or* enterprise funds and at least 5 percent of the aggregate amount for all governmental *and* enterprise funds for the same item

maximum millage rate – the maximum millage that a county or municipality may levy with a simple majority vote of the governing body; other voting requirements will allow a municipality to adopt a millage rate in excess of the maximum millage rate

millage rate – the tax rate on real and personal property, with one mill equal to \$1.00 per \$1,000 of assessed property value

modified accrual basis – method of accounting that focuses on current financial resources; revenues are recognized when measurable and available, expenditures are recognized when governments usually liquidate the liability rather than when that liability is first incurred **MSTU** – Municipal Services Taxing Unit; funding mechanism to create a special taxing district to make improvements to the community

MUNIS – the City's financial software system

nonmajor fund – a fund that does not meet the definition of a major fund (see definition for major fund)

operating budget – that part of the budget to support expenditures supported by income that is annually recurring

operating costs – those costs not defined as capital and related financing, noncapital financing, or investing activities

original budget – the first complete appropriated budget which is approved at the second public hearing in September.

proprietary fund – a fund type whose focus is on profit and loss aspects (operating income, changes in net assets, financial position and cash flows); Enterprise Funds and Internal Service Funds are the two types of Proprietary Funds.

retirement benefit multiplier – the rate applied to the average compensation multiplied by the employee's years of accrual service to yield the amount payable under the normal retirement pension

rolled-back millage rate – the tax rate which produces the same amount of taxes as levied in the prior year when calculated against the current year's tax base exclusive of new construction

ROW – Right of Way; as in road right of way

special revenue fund – a fund established for the purpose of accounting for specific sources which are restricted by law or policy to finance specific activities

TIF – tax increment financing; a tool to use future gains in taxes to finance the current improvements that will create those gains. Property values in the CRA are capped at the assessed value in the base year; thereafter, any tax revenues due to increases in value in excess of the base are dedicated to the redevelopment area.

TLBD – Tuscawilla Lighting and Beautification District; an assessment district

TMDL – Total Maximum Daily Load is a calculation of the maximum amount of a pollutant that a waterbody can receive and still meet water quality standards

transfers – see interfund transfers

Truth in Millage (TRIM) – State statutes governing the determination of millage for taxing authorities; requires strict parameters for advertising, public hearings, levy methods, etc. **user charges** – the payment of a fee for direct receipt of a public service by the party

benefiting from the service

utility tax – a tax levied by cities on the consumers of various utilities such as electricity, gas, and telephone service

W&S – Water and Sewer Utility Fund

WTP – water treatment plant
