# 1. DISTRICT ANALYSIS

---

## 1.1 District Background

In August of 1999, the City Commission of the City of Winter Springs (the “City”) created and imposed special assessments to finance certain improvements and services which benefit the properties within the Tuscawilla Assessment Area, also known as the Tuscawilla Lighting and Beautification District (the “District”). The District has three components of the assessment: Tuscawilla Capital (Phase I) Assessment Area (“Phase I”), the Tuscawilla Capital (Phase II) Assessment Area (“Phase II”), and a maintenance assessment for both Phase I and Phase II.

Improvements and services within Phase I of the District include the construction and maintenance of wing walls, median improvements, street lights, and street monuments. Improvements and services within Phase II of the District included the removal of existing street signage and street lights and the installation of new decorative street signage and lamp posts along the collector roads in the District.

The construction of the Phase I and Phase II improvements was financed by issuing bonds. The annual assessments provide the necessary funding to pay both the Phase I and Phase II annual debt service payments and to provide for the necessary ongoing maintenance. The Phase I Bonds are scheduled to mature with the October 1, 2029 debt service payment and the Phase II Bonds matured with the July 1, 2017 debt service payment. The maintenance assessment will be levied in perpetuity as long as maintenance services are being provided.

## 1.2 Levy

The assessment of each parcel of property within the District is based upon the number of residential units present, which is measured in Equivalent Residential Units (“ERU’s”). The ERU’s assigned to each property are multiplied by the annual rate assigned for the Phase I, Phase II, and Maintenance components of the District.

For the Fiscal Year 2017/18 Tuscawilla Phase I assessment, 4,200 parcels were levied for a total of \$144,432.00, which is consistent with the prior year’s levy amount.

The Tuscawilla Phase II assessment was not levied in Fiscal Year 2017/18, as the Phase II Bonds matured with the July 1, 2017 debt service payment.

For the Fiscal Year 2017/18 Tuscawilla maintenance assessment, 4,617 parcels were levied for a total of \$528,696.00, which is consistent with the prior year’s levy amount.

### **1.3 Delinquencies and Special Issues**

As of May 10, 2017, the Fiscal Year 2016/17 delinquency rate for the Tusawilla Phase I assessment was 1.06%, which equaled \$1,534.32 in outstanding delinquent installments. The Fiscal Year 2016/17 delinquency rate for the Tusawilla Phase II assessment was 1.24%, which equaled \$338.80 in outstanding delinquent installments. The Fiscal Year 2016/17 delinquency rate for the Tusawilla maintenance assessment was 1.03%, which equaled \$5,450.40 in outstanding delinquent installments. NBS will continue to review and monitor the District's delinquencies periodically throughout the year.

Each year, property owners are allowed to make capital assessment prepayments until the middle of July. As of July 31, 2017, there were no capital assessment prepayments received by the City for the past fiscal year for the District.
